INTRODUCTION

Brief History

In November of 2020, voters approved Proposition 24, the California Privacy Rights Act of 2020 (CPRA). The CPRA amends and extends the California Consumer Privacy Act of 2018. It is intended to “protect consumers’ rights, including the constitutional right of privacy.” To this end, it gives consumers various rights to limit and control businesses’ collection and sharing of personal information and imposes on businesses various disclosure, security, and other responsibilities. The CPRA directs that the “rights of consumers and the responsibilities of businesses should be implemented with the goal of strengthening consumer privacy, while giving attention to the impact on business and innovation.” (CPRA, § 3(C)(1).)

To implement the law, the CPRA established the California Privacy Protection Agency (Agency), governed by a five-member board. The CPRA vests the Agency with the “full administrative power, authority and jurisdiction to implement and enforce” the law. (Civil Code, § 1798.199.10(a).) The Agency’s responsibilities include (but are not limited to) engaging in rulemaking, investigating violations, assessing penalties, promoting public awareness, providing guidance to consumers and businesses, and cooperating with other jurisdictions. (Civil Code, § 1798.199.40.)

BOARD AUTHORITY AND MEMBERSHIP

Authority

(Civil Code, § 1798.199.10(a).)

The California Privacy Protection Agency Board (Board) was established by California voters through the CPRA.

Board Membership

(Civil Code, § 1798.199.10(a).)

The Board consists of the following five members (Board Members):

(A) The Chairperson of the Board (Chairperson), and one additional Member, appointed by the Governor;

(B) one Board Member appointed by the Attorney General;

(C) one Board Member appointed by the Senate Rules Committee; and

(D) one Board Member appointed by the Speaker of the Assembly.
Term

(Civil Code, § 1798.199.20.)

Each Board Member serves at the pleasure of their appointing authority but for no longer than eight consecutive years.

Compensation

(Civil Code, § 1798.199.25.)

Board Members shall be compensated salary per diem of one hundred dollars ($100), adjusted biennially for cost of living, “for each day on which they engage in official duties,” and “shall be reimbursed for expenses incurred in the performance of their official duties.”

Resignation

(Government Code, § 1750(b).)

If it becomes necessary for a Board Member to resign, a letter shall be sent to the appropriate appointing authority (Governor’s Office, Office of the Attorney General, Senate Rules Committee, or the Speaker of the Assembly) with the effective date of the resignation. Written notification is required by state law. Copies of this letter shall also be sent to the Chairperson and the Executive Director.

BOARD MEMBER QUALIFICATIONS, DUTIES, AND RESPONSIBILITIES

Board Member Qualifications, Responsibilities and Rights

(Civil Code, § 1798.199.15.)

The CPRA specifies certain Board Member qualifications, responsibilities, and rights. Board Members shall:

(A) Have qualifications, experience, and skills, in particular in the areas of privacy and technology, required to perform the duties of the Agency and exercise its powers.

(B) Maintain the confidentiality of information which has come to their knowledge in the course of the performance of their tasks or exercise of their powers, except to the extent that disclosure is required by the Public Records Act.

(C) Remain free from external influence, whether direct or indirect, and shall neither seek nor take instructions from another.

(D) Refrain from any action incompatible with their duties and engaging in any incompatible occupation, whether gainful or not, during their term.
(E) Have the right of access to all information made available by the Agency to the Chairperson.

(F) Be precluded, for a period of one year after leaving office, from accepting employment with a business that was subject to an enforcement action or civil action under this title during the Board Member’s tenure or during the five-year period preceding the Board Member’s appointment.

(G) Be precluded for a period of two years after leaving office from acting, for compensation, as an agent or attorney for, or otherwise representing, any other person in a matter pending before the Agency if the purpose is to influence an action of the Agency.

Conflict of Interest Avoidance

(Government Code, § 87100.)

No Board Member may make, participate in making, or in any way attempt to use their official position to influence a governmental decision in which they know or has reason to know they have financial interest.

Any Board Member who has a financial interest shall disqualify themselves from making or attempting to use their official position to influence the decision.

Any Board Member who feels they are entering a situation where there is a potential for a conflict of interest should immediately consult the Executive Director or the Board’s legal counsel.

Incompatible Activities

(Government Code, §19990.)

All Board Members shall sign an incompatible activities statement. Governor’s appointees will likely have already signed the Governor’s incompatible activities statement, and will be expected to adhere to the terms therein.

Within the first several months of being hired, counsel for the Board, or another staff attorney, should review the incompatibility statement already signed by the Governor’s appointees, and seek to develop a specific one for the Board, to be executed by all Board Members.

On-boarding of Board Members

Board Members must submit the following no later than 30 days after their swearing-in:

- Oath of Office – signed and dated.
- Form 700 – Statement of Economic Interest.
Required Trainings

Board Members must complete the required trainings within 6 months of their swearing-in:

- Bagley-Keene Open Meeting Act Training.
- Ethics Training.
- Sexual Harassment Prevention Training. To ensure compliance with Assembly Bill 1825 (Chapter 933, Statutes of 2004), Board Members are required to complete Sexual Harassment Prevention Training every two years.
- Defensive Driver Training.

Responsibilities of the Chairperson

The responsibilities of the Chairperson include but are not limited to:

- Coordinating regularly with the Executive Director to be abreast of day-to-day operations of the Agency.
- Developing the agenda for Board meetings.
- Chairing and facilitating Board meetings.
- Representing the Board before external entities. This may include but is not limited to: attending legislative hearings and testifying on behalf of the Board, attending meetings with stakeholders and Legislators on behalf of Board, talking to the media on behalf of the Board, and signing letters on behalf of the Board. When necessary, the Chairperson may designate other Board Members or Agency staff, as appropriate, to represent the Board.
- Forming subcommittees of the Board and assigning subcommittee members.
- Coordinating the annual review of the Executive Director, Chief Privacy Auditor, and any other senior Agency staff whom the Board reviews.

BOARD MEETING PROCEDURES

Board Meetings

(Government Code, § 11120 et seq.)

Being a member of the Board is a serious commitment to the people of the State of California. Board Members are expected to attend all scheduled Board meetings. If a Board Member is unable to attend, they must contact the Chairperson or the Executive Director and provide a written explanation of their absence. Board Members shall attend the entire meeting and allow sufficient time to conduct all Board business at each meeting.
Meetings are subject to the Bagley-Keene Open Meeting Act (Act). The Act governs meetings of the state regulatory bodies and meetings of committees of those bodies where the committee consists of more than two members. The Act specifies requirements for providing notice of meetings and meeting agendas. It prohibits discussing or acting on matters not included on the meeting agenda. If an agenda contains matters which are appropriate for closed session, the agenda must cite the statutory section and subdivision authorizing the closed session.

Through training given to the Board, and on Board Members’ own initiative, Board Members should become familiar with the general Bagley-Keene Open Meeting Act requirements. Board Members are required by law to receive a copy of the Act, which will be done at the Board’s first public meeting. If Board Members have questions about the law, they should contact Agency counsel for advice.

**Agenda Items**

Board Members may submit agenda items for a future Board meeting during the “Future Agenda Items” section of a Board meeting or to the Executive Director. To the extent possible, the Chairperson will calendar each Board Member’s request for a future Board meeting.

In the event of a conflict between potential agenda items, the Chairperson shall make the final decision. The Chairperson will work with the Executive Director to finalize the agenda.

**Notice of Meetings**

*Government Code §11120 et seq.*

Meeting notices, including agendas, for Board meetings will be sent to persons on the Board’s mailing list at least 10 calendar days in advance, as specified in the Bagley-Keene Open Meeting Act. The notice shall include the name, work address, and work telephone number of a staff person who can provide further information prior to the meeting. Notices will also be posted online at [https://www.cppa.ca.gov](https://www.cppa.ca.gov).

**Record of Meetings**

The business conducted in open session by the Board can be recorded by a registered court reporter or audio recorded at the Board’s discretion.

In the alternative, minutes or a summary of the open session can be taken. These shall be prepared by Board staff and submitted for review by Board Members. The Board minutes or summary will be considered and approved or disapproved at the next scheduled meeting of the Board. When approved, the minutes or summary shall serve as the official record of the meeting. If the Board records a Board meeting, the recording shall be maintained for at least 10 years.

By law, minutes must also be taken of properly convened closed sessions of Board meetings.
Robert’s Rules of Order

The Board will use Robert’s Rules of Order, to the extent that it does not conflict with state law (e.g., the Bagley-Keene Open Meeting Act or other state laws or regulations), as a guide when conducting its meetings. Questions of order can be clarified by the Board’s legal counsel.

AGENCY ADMINISTRATION

Executive Director

(Civil Code, § 1798.199.30.)

The Board shall appoint an Executive Director, who shall act in accordance with Agency policies and regulations and with applicable law. The Executive Director is responsible for the day-to-day operations and integrity of the Agency and is the official custodian of records. The Executive Director is an at-will employee, who serves at the pleasure of the Board, and may be terminated, with or without cause, in accordance with all applicable laws and certain provisions of the Bagley-Keene Open Meeting Act.

Chief Privacy Auditor

(Civil Code, § 1798.199.40(f).)

The Board shall appoint a Chief Privacy Auditor to conduct audits of businesses to ensure compliance with the law. The Chief Privacy Auditor shall act in accordance with Agency policies and regulations and with applicable law. The Chief Privacy Auditor is an at-will employee, who serves at the pleasure of the Board, and may be terminated, with or without cause, in accordance with all applicable laws and certain provisions of the Bagley-Keene Open Meeting Act.

Executive Director and Chief Privacy Auditor Evaluations

On an annual basis, the Executive Director and Chief Privacy Auditor shall be evaluated by the Board during closed sessions. Board Members provide information to the Chairperson on the Executive Director’s and Chief Privacy Auditor’s performance in advance of these meetings.

Agency Staff

(Civil Code, § 1798.199.30.)

Most employees of the Agency are civil service employees. Their employment, pay, benefits, discipline, termination, and conditions of employment are governed by a myriad of civil service laws and regulations and often by collective bargaining agreements. The Executive Director hired by the Board is an exempt position, and serves under different rules than a standard civil servant. Because of this complexity, the Board delegates authority and responsibility for
management of the civil service staff to the Executive Director and legal staff as an instrument of the Board.

Board Members may express any staff concerns to the Executive Director but shall refrain from involvement in any civil service matters. Board Members shall not become involved in the personnel issues of any state employee.

BOARD MEMBERS’ CONDUCT

General Rules of Conduct

All Board Members shall act in accordance with their oath of office, and shall conduct themselves in a courteous, professional and ethical manner at all times. The Board serves at the pleasure of its appointing authorities, and shall conduct its business in an open manner, so that the public shall be both informed and involved, consistent with the provisions of the Bagley-Keene Open Meeting Act and all other governmental and civil codes applicable to similar boards within the State of California.

- Board Members shall comply with all provisions of the Bagley-Keene Open Meeting Act.
- Board Members shall not speak or act for the Board without proper authorization.
- Board Members shall not privately or publicly lobby for, publicly endorse, or otherwise engage in any personal efforts that would tend to promote their own personal or political views or goals, when those are in direct opposition to an official position adopted by the Board.
- Board Members shall not discuss personnel or Board business matters outside their official capacity or outside a properly noticed and agendized meeting.
- Board Members shall never accept gifts from those having business before the Board or the Agency while serving on the Board.
- Board Members shall maintain the confidentiality of confidential documents and information related to Board business.
- Board Members shall comply with all applicable incompatible activities statements they serve under.
- Board Members shall recognize the equal role and responsibilities of all Board Members.
- Board Members shall act fairly, and be nonpartisan, impartial, and unbiased in their roles.
- Board Members shall treat all individuals in a fair, professional, courteous, and impartial manner.
- Board Members shall not use their positions on the Board for personal, familial, or financial gain.
Communications with Individuals, Other Organizations, and Media

General

Board Members are reminded that the power of the Board is vested in the Board itself and not with any individual Board Member. All communications relating to any Board action or policy to any individual, organization, or representatives of the media shall be made only by the Chairperson, the Chairperson’s designee, or the Executive Director.

Any Board Member who is contacted by any of the above should inform the Chairperson or Executive Director of the contact immediately and follow the policies in this section.

Board Member Written Correspondence and Mailings

A Board Member must not produce correspondence, press releases, articles, memoranda or any other communication made in the Board Member’s official capacity, or regarding matters under the jurisdiction or responsibility of the Board, unless designated to speak on a specific issue by the Chairperson. All written communications must be approved in advance of publication by the Chairperson. The Executive Director will retain a copy in a chronological file.

Media Inquiries

Media inquiries should be promptly referred to the Chairperson or the Executive Director, who will determine how to respond. Expressing a personal opinion can be seen as a Board policy or position and may be represented as the Board has taken a position on a particular issue when it has not.

Written inquiries should be promptly forwarded to the Chairperson or Executive Director. A Board Member who receives a call should politely thank the caller for the call, but state that it is the Board’s policy to refer all inquiries. The Board Member should then send an email to the Chairperson or Executive Director indicating that they received a media inquiry and relaying any information supplied by the inquirer. The Chairperson or Executive Director will coordinate with the Board Member, one another, or Agency staff, as appropriate, to respond to the inquiry.

Public Communications and Speaking Engagements

Because the power of the Board is vested in the Board itself and not with any individual Board Member, Board Members are cautioned to not express their personal opinions as a Board policy or position or represent that the Board has taken a position on a particular issue when it has not. When speaking in a public venue on a topic that could be perceived as relevant to Board or Agency business, Board Members must state clearly that they are speaking on their own behalf and not conveying a position of the Board or the Agency, unless they have been designated to speak for the Board by the Chairperson. If Board Members prepare presentation slides, a paper, or other written materials on topics that could be perceived as relevant to Board or Agency business, they must include a written version of this statement in the materials.
Correspondence

All correspondence shall be issued on the Board’s standard letterhead and will be disseminated by the Executive Director’s office.

Business Cards

Business cards will be provided to each Board Member with the Board’s name, address, telephone numbers, and website address.

OTHER POLICIES & PROCEDURES

Ex Parte Communications

(Government Code, § 11430.10 et seq.)

The Government Code contains provisions prohibiting ex parte communications. An “ex parte” communication is a communication to the decisionmaker made by one party to an enforcement action without participation by the other party. While there are specified exceptions to the general prohibition, the key provision is found in subdivision (a) of section 11430.10, which states:

“While the proceeding is pending, there shall be no communication, direct or indirect, regarding any issue in the proceeding to the presiding officer from an employee or representative of an agency that is a party or from an interested person outside the agency, without notice and an opportunity for all parties to participate in the communication.”

Once the Agency begins enforcement under the CPRA, it is possible that the subject of an investigation or enforcement action will attempt directly contact Board Members directly. If the communication is written, recipient Board Members should read only far enough to determine the nature of the communication. Once they realize it is from a person under investigation or against whom an action is pending, they should reseal the documents and send them to the Executive Director.

If a Board Member receives a telephone call from the subject of an investigation or a person or entity against whom an enforcement action is pending, the Board Member should immediately tell the person they cannot speak to them about the matter and inform the Executive Director and the Agency’s legal counsel.

If the person insists on discussing the case, they should be told that the Board Member will be required to be recused from any participation in the matter. Therefore, continued discussion is of no benefit.

If a Board Member believes that they have received an unlawful ex parte communication, they should contact the Executive Director and the Agency’s legal counsel.
Service of Legal Documents

A Board Member may receive service of a lawsuit against themselves, the Board, or the Agency pertaining to a certain issue (e.g. a disciplinary matter, a complaint, a legislative matter, etc.). To prevent a confrontation, the Board Member should accept service, then immediately notify the Executive Director of the service and indicate the name of the matter that was served and any other pertinent information. The Board Member should then mail the entire package that was served to the Executive Director as soon as possible and await instructions from the Agency’s legal counsel.

Prohibition on Honoraria

(Government Code, § 89503 and FPPC Regulations, Title 2, Division 6.)

As a rule, Board Members should decline honoraria for speaking at, or otherwise participating in, professional association conferences and meetings. A member of a state board or commission is precluded from accepting an honorarium from any source, if the member would be required to report the receipt of income or gifts from that source on their statement of economic interest.

Board Members are required to report income from, among other entities, professional associations and continuing education providers. Therefore, a Board Member should decline all offers for honoraria for speaking or appearing before such entities.

There are limited exceptions to the honoraria prohibition. The acceptance of an honorarium is not prohibited under the following circumstances:

(1) An honorarium is returned to the donor (unused) within 30 days;
(2) an honorarium is delivered to the State Controller within 30 days for donation to the General Fund (for which a tax deduction is not claimed); or
(3) an honorarium is not delivered to the Board Member, but is donated directly to a bona fide charitable, educational, civic, religious, or similar tax exempt, non-profit organization.

Considering this prohibition, Board Members should report all offers of honoraria to the Chairperson so that the Chairperson, in consultation with the Executive Director and Agency counsel, may determine whether the potential for conflict of interest exists.

The Bagley-Keene Open Meeting Act 2004

California Attorney General’s Office
INTRODUCTION

The Bagley-Keene Open Meeting Act (“the Act” or “the Bagley-Keene Act”), set forth in Government Code sections 11120-11132\(^1\), covers all state boards and commissions. Generally, it requires these bodies to publicly notice their meetings, prepare agendas, accept public testimony and conduct their meetings in public unless specifically authorized by the Act to meet in closed session. Following is a brief summary of the Act’s major provisions. Although we believe that this summary is a helpful road map, it is no substitute for consulting the actual language of the Act and the court cases and administrative opinions that interpret it.

If you wish to obtain additional copies of this pamphlet, they may be ordered or downloaded via the Attorney General’s Home Page, located on the World Wide Web at http://caag.state.ca.us. PURPOSE OF THE ACT

Operating under the requirements of the Act can sometimes be frustrating for both board members and staff. This results from the lack of efficiency built into the Act and the unnatural communication patterns brought about by compliance with its rules.

If efficiency were the top priority, the Legislature would create a department and then permit the department head to make decisions. However, when the Legislature creates a multimember board, it makes a different value judgment. Rather than striving strictly for efficiency, it concludes that there is a higher value to having a group of individuals with a variety of experiences, backgrounds and viewpoints come together to develop a consensus. Consensus is developed through debate, deliberation and give and take. This process can sometimes take a long time and is very different in character than the individual-decision-maker model.

Although some individual decision-makers follow a consensus-building model in the way that they make decisions, they’re not required to do so. When the Legislature creates a multimember body, it is mandating that the government go through this consensus building process.

When the Legislature enacted the Bagley-Keene Act, it imposed still another value judgment on the governmental process. In effect, the Legislature said that when a body sits down to develop its consensus, there needs to be a seat at the table reserved for the public. (§ 11120.) By reserving this place for the public, the Legislature has provided the public with the ability to monitor and participate in the decision-making process. If the body were permitted to meet in secret, the public’s role in the decision-making process would be negated. Therefore, absent a specific reason to keep

\(^1\)All statutory references are to the Government Code.
the public out of the meeting, the public should be allowed to monitor and participate in the decision-making process.

If one accepts the philosophy behind the creation of a multimember body and the reservation of a seat at the table for the public, many of the particular rules that exist in the Bagley-Keene Act become much easier to accept and understand. Simply put, some efficiency is sacrificed for the benefits of greater public participation in government.

**BODIES COVERED BY THE ACT: General Rule**

The general rule for determining whether a body is covered by the Act involves a two part test (§ 11121(a)):

First, the Act covers multimember bodies. A multimember body is two or more people. Examples of multimember bodies are: state boards, commissions, committees, panels, and councils. Second, the body must be created by statute or required by law to conduct official meetings. If a body is created by statute, it is covered by the Act regardless of whether it is decision-making or advisory.

**Advisory Bodies**

The Act governs two types of advisory bodies: (1) those advisory bodies created by the Legislature and (2) those advisory bodies having three or more members that are created by formal action of another body. (§11121(c).) If an advisory body created by formal action of another body has only two members, it is not covered by the Bagley-Keene Act. Accordingly, that body can do its business without worrying about the notice and open meeting requirements of the Act. However, if it consists of three people, then it would qualify as an advisory committee subject to the requirements of the Act.

When a body authorizes or directs an individual to create a new body, that body is deemed to have been created by formal action of the parent body even if the individual makes all decisions regarding composition of the committee. The same result would apply where the individual states an intention to create an advisory body but seeks approval or ratification of that decision by the body.

Finally, the body will probably be deemed to have acted by formal action whenever the chair of the body, acting in his or her official capacity, creates an advisory committee. Ultimately, unless the advisory committee is created by staff or an individual board member, independent of the body’s authorization or desires, it probably should be viewed as having been created by formal action of the body.
- **Delegated Body**

  The critical issue for this type of body is whether the committee exercises some power that has been delegated to it by another body. If the body has been delegated the power to act, it is a delegated committee. (§ 11121(b).) A classic example is the executive committee that is given authority to act on behalf of the entire body between meetings. Such executive committees are delegated committees and are covered by the requirements of the Act.

  There is no specific size requirement for the delegated body. However, to be a body, it still must be comprised of multiple members. Thus, a single individual is not a delegated body.

- **Commissions Created by the Governor**

  The Act specifically covers commissions created by executive order. (§ 11121(a).) That leaves open two potential issues for resolution with respect to this type of body. First, what’s an executive order as opposed to other exercises of power by the Governor? Second, when is a body a “commission” within the meaning of this provision? There is neither case law nor an Attorney General opinion addressing either of these issues in this context.

- **Body Determined by Membership**

  The next kind of body is determined by who serves on it. Under this provision, a body becomes a state body when a member of a state body, in his or her official capacity, serves as a representative on another body, either public or private, which is funded in whole or in part by the representative’s state body. (§ 11121(d).) It does not come up often, but the Act should be consulted whenever a member of one body sits as a representative on another body.

  In summary, the foregoing are the general types of bodies that are defined as state bodies under the Bagley-Keene Act. As will be discussed below, these bodies are subject to the notice and open meeting requirements of the Act.

**MEMBERS-TO-BE**

The open meeting provisions of the Act basically apply to new members at the time of their election or appointment, even if they have not yet started to serve. (§ 11121.95.) The purpose of this provision is to prevent newly appointed members from meeting secretly among themselves or with holdover members of a body in sufficient numbers so as to constitute a quorum. The Act also requires bodies to provide their new members with a copy of the Act. (§ 11121.9.) We recommend that this Handy Guide be used to satisfy that requirement.
WHAT IS A MEETING?

The issue of what constitutes a meeting is one of the more troublesome and controversial issues under the Act. A meeting occurs when a quorum of a body convenes, either serially or all together, in one place, to address issues under the body’s jurisdiction. (§ 11122.5.) Obviously, a meeting would include a gathering where members were debating issues or voting on them. But a meeting also includes situations in which the body is merely receiving information. To the extent that a body receives information under circumstances where the public is deprived of the opportunity to monitor the information provided, and either agree with it or challenge it, the open-meeting process is deficient.

Typically, issues concerning the definition of a meeting arise in the context of informal gatherings such as study sessions or pre-meeting get-togethers. The study session historically arises from the body’s desire to study a subject prior to its placement on the body’s agenda. However, if a quorum is involved, the study session should be treated as a meeting under the Act. With respect to pre-meeting briefings, this office opined that staff briefings of the city council a half hour before the noticed city council meeting to discuss the items that would appear on the council’s meeting agenda were themselves meetings subject to open meeting laws.2 To the extent that a briefing is desirable, this office recommends that the executive officer prepare a briefing paper which would then be available to the members of the body, as well as, to the public.

Serial Meetings

The Act expressly prohibits the use of direct communication, personal intermediaries, or technological devices that are employed by a majority of the members of the state body to develop a collective concurrence as to action to be taken on an item by the members of the state body outside of an open meeting. (§ 11122.5(b).) Typically, a serial meeting is a series of communications, each of which involves less than a quorum of the legislative body, but which taken as a whole involves a majority of the body’s members. For example, a chain of communications involving contact from member A to member B who then communicates with member C would constitute a serial meeting in the case of a five-person body. Similarly, when a person acts as the hub of a wheel (member A) and communicates individually with the various spokes (members B and C), a serial meeting has occurred. In addition, a serial meeting occurs when intermediaries for board members have a meeting to discuss issues. For example, when a representative of member A meets with representatives of members B and C to discuss an agenda item, the members have conducted a serial meeting through their representatives acting as intermediaries.

In the *Stockton Newspapers* case, the court concluded that a series of individual telephone calls between the agency attorney and the members of the body constituted a meeting.³ In that case, the attorney individually polled the members of the body for their approval on a real estate transaction. The court concluded that even though the meeting was conducted in a serial fashion, it nevertheless was a meeting for the purposes of the Act.

An executive officer may receive spontaneous input from board members on the agenda or on any other topic. But problems arise if there are systematic communications through which a quorum of the body acquires information or engages in debate, discussion, lobbying, or any other aspect of the deliberative process, either among themselves or between board members and the staff.

Although there are no cases directly on point, if an executive officer receives the same question on substantive matters addressed in an upcoming agenda from a quorum of the body, this office recommends that a memorandum addressing these issues be provided to the body and the public so they will receive the same information.

This office has opined that under the Brown Act (the counterpart to the Bagley-Keene Act which is applicable to local government bodies) that a majority of the board members of a local public agency may not e-mail each other to discuss current topics related to the body’s jurisdiction even if the e-mails are also sent to the secretary and chairperson of the agency, posted on the agency’s Internet website, and made available in printed form at the next public meeting of the board.⁴

The prohibition applies only to communications employed by a quorum to develop a collective concurrence concerning action to be taken by the body. Conversations that advance or clarify a member’s understanding of an issue, or facilitate an agreement or compromise among members, or advance the ultimate resolution of an issue, are all examples of communications that contribute to the development of a concurrence as to action to be taken by the body. Accordingly, with respect to items that have been placed on an agenda or that are likely to be placed upon an agenda, members of state bodies should avoid serial communications of a substantive nature that involve a quorum of the body.

In conclusion, serial meeting issues will arise most commonly in connection with rotating staff briefings, telephone calls or e-mail communications among a quorum of board members. In these situations, part of the deliberative process by which information is received and processed, mulled over and discussed, is occurring without participation of the public.

Just remember, serial-meeting provisions basically mean that what the body can not do as a group it can not do through serial communications by a quorum of its members.

Contacts by the Public

One of the more difficult areas has to do with the rights of the public to contact individual members. For example, a communication from a member of the public to discuss an issue does not violate the Act. (§ 11122.5(c)(1).) The difficulty arises when the individual contacts a quorum of the body.

So long as the body does not solicit or orchestrate such contacts, they would not constitute a violation of the Bagley-Keene Act. Whether its good policy for a body to allow these individual contacts to occur is a different issue.

Social Gatherings

The Act exempts purely social situations from its coverage. (§ 11122.5(c)(5).) However, this construction is based on the premise that matters under the body’s jurisdiction will not be discussed or considered at the social occasion. It may be useful to remind board members to avoid “shop talk” at the social event. Typically, this is difficult because service on the body is their common bond.

Conferences and Retreats

Conferences are exempt from the Act’s coverage so long as they are open to the public and involve subject matter of general interest to persons or bodies in a given field. (§ 11122.5(c)(2).) While in attendance at a conference, members of a body should avoid private discussions with other members of their body about subjects that may be on an upcoming agenda. However, if the retreat or conference is designed to focus on the laws or issues of a particular body it would no be exempt under the Act.

Teleconference Meetings

The Act provides for audio or audio and visual teleconference meetings for the benefit of the public and the body. (§ 11123.) When a teleconference meeting is held, each site from which a member of the body participates must be accessible to the public. [Hence, a member cannot participate from his or her car, using a car phone or from his or her home, unless the home is open to the public for the duration of the meeting.] All proceedings must be audible and votes must be taken by rollcall. All other provisions of the Act also apply to teleconference meetings. For these reasons, we recommend that a properly equipped and accessible public building be utilized for teleconference meetings. This section does not prevent the body from providing additional locations from which the public may observe the proceedings or address the state body by electronic means.

NOTICE AND AGENDA REQUIREMENTS

The notice and agenda provisions require bodies to send the notice of its meetings to persons who have requested it. (§ 11125(a.) In addition, at least ten days prior to the meeting, bodies must
prepare an agenda of all items to be discussed or acted upon at the meeting. (§ 11125(b).) In practice, this usually translates to boards and commissions sending out the notice and agenda to all persons on their mailing lists. The notice needs to state the time and the place of the meeting and give the name, phone number and address of a contact person who can answer questions about the meeting and the agenda. (§ 11125(a).) The agenda needs to contain a brief description of each item to be transacted or discussed at the meeting, which as a general rule need not exceed 20 words in length. (§ 11125(b).)

The agenda items should be drafted to provide interested lay persons with enough information to allow them to decide whether to attend the meeting or to participate in that particular agenda item. Bodies should not label topics as “discussion” or “action” items unless they intend to be bound by such descriptions. Bodies should not schedule items for consideration at particular times, unless they assure that the items will not be considered prior to the appointed time.

The notice and agenda requirements apply to both open and closed meetings. There is a tendency to think that agendas need not be prepared for closed session items because the public cannot attend. But the public’s ability to monitor closed sessions directly depends upon the agenda requirement which tells the public what is going to be discussed.

**REGULAR MEETINGS**

The Act, itself, does not directly define the term “regular meeting.” Nevertheless, there are several references in the Act concerning regular meetings. By inference and interpretation, the regular meeting is a meeting of the body conducted under normal or ordinary circumstances. A regular meeting requires a 10-day notice. This simply means that at least 10 days prior to the meeting, notice of the meeting must be given along with an agenda that sufficiently describes the items of business to be transacted or discussed. (§§ 11125(a), 11125(b).) The notice for a meeting must also be posted on the Internet, and the web site address must be included on the written agenda. In addition, upon request by any person with a disability, the notice must be made available in appropriate alternative formats, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the applicable federal rules and regulations. The notice must contain information regarding the manner in which and the deadline by which a request for any disability-related modification or accommodation, including auxiliary aids or services, may be made by a person requiring these aids or services in order to participate in the meeting.

In two special situations, items may be added to the agenda within the 10-day notice period, provided that they are added and notice is given no later than 48 hours prior to the meeting. (§ 11125.) The first such situation is where the body concludes that the topic it wishes to add would qualify for an emergency meeting as defined in the Act. (§ 11125.3(a)(1).) The second situation is where there is a need for immediate action and the need for action came to the attention of the body after the agenda was mailed in accordance with the 10-day notice requirement. (§ 11125.3(a)(2).) This second situation requires a two-thirds vote or a unanimous vote if two-thirds of the members are not present.
Changes made to the agenda under this section must be delivered to the members of the body and to national wires services at least 48 hours before the meeting and must be posted on the Internet as soon as practicable.

**SPECIAL MEETINGS**

A few years ago, special meetings were added to the Act to provide relief to agencies that, due to the occurrence of unforeseen events, had a need to meet on short notice and were hamstrung by the Act’s 10-day notice requirement. (§ 11125.4.) The special meeting requires that notice be provided at least 48 hours before the meeting to the members of the body and all national wire services, along with posting on the Internet.

The purposes for which a body can call a special meeting are quite limited. Examples include pending litigation, legislation, licencing matters and certain personnel actions. At the commencement of the special meeting, the body is required to make a finding that the 10-day notice requirement would impose a substantial hardship on the body or that immediate action is required to protect the public interest and must provide a factual basis for the finding. The finding must be adopted by two-thirds vote and must contain articulable facts that support it. If all of these requirements are not followed, then the body can not convene the special meeting and the meeting must be adjourned.

**EMERGENCY MEETINGS**

The Act provides for emergency meetings in rare instances when there exists a crippling disaster or a work stoppage that would severely impair public health and safety. (§ 11125.5.) An emergency meeting requires a one-hour notice to the media and must be held in open session. The Act also sets forth a variety of other technical procedural requirements that must be satisfied.

**PUBLIC PARTICIPATION**

Since one of the purposes of the Act is to protect and serve the interests of the general public to monitor and participate in meetings of state bodies, bodies covered by the Act are prohibited from imposing any conditions on attendance at a meeting. (§ 11124.) For example, while the Act does not prohibit use of a sign-in sheet, notice must be clearly given that signing-in is voluntary and not a pre-requisite to either attending the meeting or speaking at the meeting. On the other hand, security measures that require identification in order to gain admittance to a government building are permitted so long as security personnel do not share the information with the body.

In addition, members of the public are entitled to record and to broadcast (audio and/or video) the meetings, unless to do so would constitute a persistent disruption. (§ 11124.1.)
To ensure public participation, the Legislature expressly afforded an opportunity to the public to speak or otherwise participate at meetings, either before or during the consideration of each agenda item. (§11125.7) The Legislature also provided that at any meeting the body can elect to consider comments from the public on any matter under the body’s jurisdiction. And while the body cannot act on any matter not included on the agenda, it can schedule issues raised by the public for consideration at future meetings. Public comment protected by the Act includes criticism of the programs, policies and officials of the state body.

ACCESS TO RECORDS

Under the Act, the public is entitled to have access to the records of the body. (§ 11125.1.) In general, a record includes any form of writing. When materials are provided to a majority of the body either before or during the meeting, they must also be made available to the public without delay, unless the confidentiality of such materials is otherwise protected. Any records provided to the public, must be available in appropriate alternative formats, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the applicable federal rules and regulations, upon request by a person with a disability.

Notwithstanding the foregoing, the Act makes Government Code section 6254, the most comprehensive exemption under the California Public Records Act, applicable to records provided to the body. That is, if the record that is being provided to the board members is a record that is otherwise exempt from disclosure under section 6254 of the Government Code, then the record need not be disclosed to members of the public. (§ 11125.1(a).) However, the public interest balancing test, set forth in Government Code section 6255, is expressly made inapplicable to records provided to members of the body.

If an agency has received a request for records, the Public Records Act allows the agency to charge for their duplication. (§ 11125.1(c).) Please be aware that the Public Records Act limits the amount that can be charged to the direct cost of duplication. This has been interpreted to mean a pro-rata share of the equipment cost and probably a pro-rata share of the employee cost in order to make the copies. It does not include anything other than the mere reproduction of the records. (See,§ 6253.9 for special rules concerning computer records.) Accordingly, an agency may not recover for the costs of retrieving or redacting a record.

ACCESSIBILITY OF MEETING LOCATIONS

The Act requires that the place and manner of the meeting be nondiscriminatory. (§ 11131.) As such, the body cannot discriminate on the basis of race, religion, national origin, etc. The meeting site must also be accessible to the disabled. Furthermore, the agency may not charge a fee for attendance at a meeting governed by the Act.
CLOSED SESSIONS

Although, as a general rule, all items placed on an agenda must be addressed in open session, the Legislature has allowed closed sessions in very limited circumstances, which will be discussed in detail below. Closed sessions may be held legally only if the body complies with certain procedural requirements. (§ 11126.3)

As part of the required general procedures, the closed session must be listed on the meeting agenda and properly noticed. (§ 11125(b).) Prior to convening into closed session, the body must publicly announce those issues that will be considered in closed session. (§ 11126.3.) This can be done by a reference to the item as properly listed on the agenda. In addition, the agenda should cite the statutory authority or provision of the Act which authorizes the particular closed session. (§11125(b).) After the closed session has been completed, the body is required to reconvene in public. (§ 11126.3(f).) However, the body is required to make a report only where the body makes a decision to hire or fire an individual. (§ 11125.2.) Bodies under the Bagley-Keene Act are required to keep minutes of their closed sessions. (§ 11126.1.) Under the Act, these minutes are confidential, and are disclosable only to the board itself or to a reviewing court.

Courts have narrowly construed the Act’s closed-session exceptions. For example, voting by secret ballot at an open-meeting is considered to be an improper closed session. Furthermore, closed sessions may be improperly convened if they are attended by persons other than those directly involved in the closed session as part of their official duties.

- **Personnel Exception**

The personnel exception generally applies only to employees. (§ 11126(a) and (b).) However, a body’s appointment pursuant to subdivision (e) of Section 4 of Article VII of the California Constitution (usually the body’s executive director) has been designated an employee for purposes of the personnel exception. On the other hand, under the Act, members of the body are not to be considered employees, and there exists no personnel exception or other closed session vehicle for board members to deal with issues that may arise between them. Board elections, team building exercises, and efforts to address personality problems that may arise between members of the board, cannot be handled in closed session.

Only certain categories of subject matter may be considered at a closed session authorized under the personnel exception. (§ 11126(a)(1).) The purpose of the personnel exception is to protect the privacy of the employee, and to allow the board members to speak candidly. It can be used to consider appointments, employment, evaluation of performance, discipline or dismissal, as well as to hear charges or complaints about an employee’s actions. Although the personnel exception is appropriate for discussion of an employee’s competence or qualifications for appointment or employment, we do not think that discussion of employee compensation may be conducted in closed
session in light of an appellate court decision interpreting a similar exception in the Brown Act, (the counterpart to the Bagley-Keene Act which is applicable to local government bodies).

The Act requires compliance with specific procedures when the body addresses a complaint leveled against an employee by a third person or initiates a disciplinary action against an employee. Under either circumstance, the Act requires 24-hour written notice to the employee. (§ 11126(a)(2).) Failure to provide such notice voids any action taken in closed session.

Upon receiving notice, the employee has the right to insist that the matter be heard in public session. (§ 11126(a)(2).) However, the opposite is not true. Under the Act, an employee has no right to have the matter heard in closed session. If the body decides to hold an open session, the Bagley-Keene Act does not provide any other option for the employee. Considerations, such as the employee’s right to privacy, are not addressed under the Bagley-Keene Act.

If an employee asserts his or her right to have the personnel matter addressed in open session, the body must present the issues and information/evidence concerning the employee’s performance or conduct in the open session. However, the body is still entitled to conduct its deliberations in closed session. (§ 11126(a)(4).)

### Pending Litigation Exception

The purpose of the pending litigation exception is to permit the agency to confer with its attorney in circumstances where, if that conversation were to occur in open session, it would prejudice the position of the agency in the litigation. (§ 11126(e)(1).) The term “litigation” refers to an adjudicatory proceeding that is held in either a judicial or an administrative forum. (§11126(e)(2)(c)(iii).) For purposes of the Act, litigation is “pending” in three basic situations. (§11126(e)(2).) First, where the agency is a party to existing litigation. Secondly, where under existing facts and circumstances, the agency has substantial exposure to litigation. And thirdly, where the body is meeting for the purpose of determining whether to initiate litigation. All of these situations constitute pending litigation under the exception.

For purposes of the Bagley-Keene Act, the pending litigation exception constitutes the exclusive expression of the attorney-client privilege. (§ 11126(e)(2).) In general, this means that independent statutes and case law that deal with attorney-client privilege issues do not apply to interpretations of the pending litigation provision of the Bagley-Keene Act. Accordingly, the specific language of the Act must be consulted to determine what is authorized for discussion in closed session.

Because the purpose of the closed session exception is to confer with legal counsel, the attorney must be present during the entire closed session devoted to the pending litigation. The Act’s pending litigation exception covers both the receipt of advice from counsel and the making of

---

litigation decisions (e.g., whether to file an action, and if so, what approach should be taken, whether settlement should be considered, and if so, what the settlement terms should be.

What happens in a situation where a body desires legal advice from counsel, but the Act’s pending litigation exception does not apply? In such a case, legal counsel can either (1) provide the legal advice orally and discuss it in open session; or (2) deliver a one-way legal advice memorandum to the board members. The memorandum would constitute a record containing an attorney-client privileged communication and would be protected from disclosure under section 6254(k) of the Public Records Act. (11125.1(a).) However, when the board members receive that memorandum, they may discuss it only in open session, unless there is a specific exception that applies which allows them to consider it in closed session.6

- **Deliberations Exception**

The purpose of the deliberations exception is to permit a body to deliberate on decisions in a proceeding under the Administrative Procedures Act, or under similar provisions of law, in closed session. (§ 11126(c)(3).)

- **Real Property Exception**

Under the Act, the real-property exception provides that the body can, in closed session, advise its negotiator in situations involving real estate transactions and in negotiations regarding price and terms of payment. (§ 11126(c)(7).) However, before meeting in closed session, the body must identify the specific parcel in question and the party with whom it is negotiating. Again, the Act requires that the body properly notice its intent to hold a closed session and to cite the applicable authority enabling it to do so.

- **Security Exception**

A state body may, upon a two-thirds vote of those present, conduct a closed session to consider matters posing a potential threat of criminal or terrorist activity against the personnel, property, buildings, facilities, or equipment, including electronic data, owned, leased, or controlled by the state body, where disclosure of these considerations could adversely affect their safety or security. (11126(c)(18).) After such a closed session, the state body must reconvene in open session prior to adjournment and report that a closed session was held along with a description of the general nature of the matters considered, and whether any action was taken in closed session.

Whenever a state body utilizes this closed session exception, it must also provide specific written notice to the Legislative Analyst who must retain this information for at least four years. (11126(c)(18)(D).) This closed session exception will sunset in 2006. (11126(h.).)

REMEDIES FOR VIOLATIONS

The Act provides for remedies and penalties in situations where violations have allegedly occurred. Depending on the particular circumstances, the decision of the body may be overturned (§ 11130.3), violations may be stopped or prevented (§ 11130), costs and fees may be awarded (§11130.5), and in certain situations, there may be criminal misdemeanor penalties imposed as well. (§ 11130.7.)

Within 90 days of a decision or action of the body, any interested person may file suit alleging a violation of the Act and seeking to overturn the decision or action. Among other things, such suit may allege an unauthorized closed session or an improperly noticed meeting. Although the body is permitted to cure and correct a violation so as to avoid having its decision overturned, this can be much like trying to put toothpaste back in the tube. If possible, the body should try to return to a point prior to when the violation occurred and then proceed properly. For example, if the violation involves improper notice, we recommend that the body invalidate its decision, provide proper notice, and start the process over. To the extent that information has been received, statements made, or discussions have taken place, we recommend that the body include all of this on the record to ensure that everyone is aware of these events and has had an opportunity to respond.

In certain situations where a body has violated the Act, the decision can not be set aside or overturned; namely, where the action taken concerns the issuance of bonds, the entering into contracts where there has been detrimental reliance, the collection of taxes, and, in situations where there has been substantial compliance with the requirements of the Act. (11130.3(b).)

Another remedy in dealing with a violation of the Act involves filing a lawsuit to stop or prevent future violations of the Act. (§ 11130.) In general, these legal actions are filed as injunctions, writs of mandates, or suits for declaratory relief. The Legislature has also authorized the Attorney General, the District Attorney or any other interested person to use these remedies to seek judicial redress for past violations of the Act.

A prevailing plaintiff may recover the costs of suit and attorney’s fees from the body (not individual members). (§ 11130.5.) On the other hand, if the body prevails, it may recover attorney’s fees and costs only if the plaintiff’s suit was clearly frivolous and totally without merit.

The Act provides for misdemeanor penalties against individual members of the body if the member attends a meeting in violation of the Act with the intent to deprive the public of information to which he or she knows, or has reason to know, the public is entitled to receive. (§ 11130.7.)

THE BAGLEY-KEENE OPEN MEETING ACT

Government Code Sections 11120-11132

§ 11120. Policy statement; requirement for open meetings

11120. It is the public policy of this state that public agencies exist to aid in the conduct of the people’s business and the proceedings of public agencies be conducted openly so that the public may remain informed.

In enacting this article the Legislature finds and declares that it is the intent of the law that actions of state agencies be taken openly and that their deliberation be conducted openly.

The people of this state do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.

This article shall be known and may be cited as the Bagley-Keene Open Meeting Act.

§ 11121. State body

11121. As used in this article, “state body” means each of the following:

(a) Every state board, or commission, or similar multimember body of the state that is created by statute or required by law to conduct official meetings and every commission created by executive order.

(b) A board, commission, committee, or similar multimember body that exercises any authority of a state body delegated to it by that state body.

(c) An advisory board, advisory commission, advisory committee, advisory subcommittee, or similar multimember advisory body of a state body, if created by formal action of the state body or of any member of the state body, and if the advisory body so created consists of three or more persons.

(d) A board, commission, committee, or similar multimember body on which a member of a body that is a state body pursuant to this section serves in his or her official capacity as a representative of that state body and that is supported, in whole or in part, by funds provided by the state body, whether the multimember body is organized and operated by the state body or by a private corporation.
§ 11121.1. State body; exceptions

11121.1. As used in this article, “state body” does not include any of the following:

(a) State agencies provided for in Article VI of the California Constitution.

(b) Districts or other local agencies whose meetings are required to be open to the public pursuant to the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5).

(c) State agencies provided for in Article IV of the California Constitution whose meetings are required to be open to the public pursuant to the Grunsky-Burton Open Meeting Act (Article 2.2 (commencing with Section 9027) of Chapter 1.5 of Part 1 of Division 2 of Title 2).

(d) State agencies when they are conducting proceedings pursuant to Section 3596.

(e) State agencies provided for in Section 109260 of the Health and Safety Code, except as provided in Section 109390 of the Health and Safety Code.

(f) State agencies provided for in Section 11770.5 of the Insurance Code.

(g) The Credit Union Advisory Committee established pursuant to Section 14380 of the Financial Code.

§ 11121.9. Requirement to provide law to members

11121.9. Each state body shall provide a copy of this article to each member of the state body upon his or her appointment to membership or assumption of office.

§ 11121.95. Application to persons who have not assumed office

11121.95. Any person appointed or elected to serve as a member of a state body who has not yet assumed the duties of office shall conform his or her conduct to the requirements of this article and shall be treated for purposes of this article as if he or she has already assumed office.

§ 11122. Action taken; defined

11122. As used in this article “action taken” means a collective decision made by the members of a state body, a collective commitment or promise by the members of the state body to make a positive or negative decision or an actual vote by the members of a state body when sitting as a body or entity upon a motion, proposal, resolution, order or similar action.
§ 11122.5. Meeting defined; exceptions

11122.5. (a) As used in this article, “meeting” includes any congregation of a majority of the members of a state body at the same time and place to hear, discuss, or deliberate upon any item that is within the subject matter jurisdiction of the state body to which it pertains.

(b) Except as authorized pursuant to Section 11123, any use of direct communication, personal intermediaries, or technological devices that is employed by a majority of the members of the state body to develop a collective concurrence as to action to be taken on an item by the members of the state body is prohibited.

(c) The prohibitions of this article do not apply to any of the following:

1) Individual contacts or conversations between a member of a state body and any other person.

2) The attendance of a majority of the members of a state body at a conference or similar gathering open to the public that involves a discussion of issues of general interest to the public or to public agencies of the type represented by the state body, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled program, business of a specific nature that is within the subject matter jurisdiction of the state body. This paragraph is not intended to allow members of the public free admission to a conference or similar gathering at which the organizers have required other participants or registrants to pay fees or charges as a condition of attendance.

3) The attendance of a majority of the members of a state body at an open and publicized meeting organized to address a topic of state concern by a person or organization other than the state body, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled program, business of a specific nature that is within the subject matter jurisdiction of the state body.

4) The attendance of a majority of the members of a state body at an open and noticed meeting of another state body or of a legislative body of a local agency as defined by Section 54951, provided that a majority of the members do not discuss among themselves, other than as part of the scheduled meeting, business of a specific nature that is within the subject matter jurisdiction of the other state body.

5) The attendance of a majority of the members of a state body at a purely social or ceremonial occasion, provided that a majority of the members do not discuss among themselves business of a specific nature that is within the subject matter jurisdiction of the state body.

11123. (a) All meetings of a state body shall be open and public and all persons shall be permitted to attend any meeting of a state body except as otherwise provided in this article.

(b) (1) This article does not prohibit a state body from holding an open or closed meeting by teleconference for the benefit of the public and state body. The meeting or proceeding held by teleconference shall otherwise comply with all applicable requirements or laws relating to a specific type of meeting or proceeding, including the following:

(A) The teleconferencing meeting shall comply with all requirements of this article applicable to other meetings.

(B) The portion of the teleconferenced meeting that is required to be open to the public shall be audible to the public at the location specified in the notice of the meeting.

(C) If the state body elects to conduct a meeting or proceeding by teleconference, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the rights of any party or member of the public appearing before the state body. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. The agenda shall provide an opportunity for members of the public to address the state body directly pursuant to Section 11125.7 at each teleconference location.

(D) All votes taken during a teleconferenced meeting shall be by rollcall.

(E) The portion of the teleconferenced meeting that is closed to the public may not include the consideration of any agenda item being heard pursuant to Section 11125.5.

(F) At least one member of the state body shall be physically present at the location specified in the notice of the meeting.

(2) For the purposes of this subdivision, “teleconference” means a meeting of a state body, the members of which are at different locations, connected by electronic means, through either audio or both audio and video. This section does not prohibit a state body from providing members of the public with additional locations in which the public may observe or address the state body by electronic means, through either audio or both audio and video.
§ 11123.1. Compliance with the ADA

11123.1. All meetings of a state body that are open and public shall meet the protections and prohibitions contained in Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof.

§ 11124. No conditions for attending meetings

11124. No person shall be required, as a condition to attendance at a meeting of a state body, to register his or her name, to provide other information, to complete a questionnaire, or otherwise to fulfill any condition precedent to his or her attendance. If an attendance list, register, questionnaire, or other similar document is posted at or near the entrance to the room where the meeting is to be held, or is circulated to persons present during the meeting, it shall state clearly that the signing, registering, or completion of the document is voluntary, and that all persons may attend the meeting regardless of whether a person signs, registers, or completes the document.

§ 11124.1. Right to record meetings

11124.1. (a) Any person attending an open and public meeting of the state body shall have the right to record the proceedings with an audio or video tape recorder or a still or motion picture camera in the absence of a reasonable finding by the state body that the recording cannot continue without noise, illumination, or obstruction of view that constitutes, or would constitute, a persistent disruption of the proceedings.

(b) Any tape or film record of an open and public meeting made for whatever purpose by or at the direction of the state body shall be subject to inspection pursuant to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), but may be erased or destroyed 30 days after the taping or recording. Any inspection of an audio or video tape recording shall be provided without charge on an audio or video tape player made available by the state body.

(c) No state body shall prohibit or otherwise restrict the broadcast of its open and public meetings in the absence of a reasonable finding that the broadcast cannot be accomplished without noise, illumination, or obstruction of view that would constitute a persistent disruption of the proceedings.

§ 11125. Required notice

11125. (a) The state body shall provide notice of its meeting to any person who requests that notice in writing. Notice shall be given and also made available on the Internet at least 10 days in advance of the meeting, and shall include the name, address, and telephone number of any person who can provide further information prior to the meeting, but need not include a list of witnesses expected to appear at the meeting. The written notice shall additionally include the address of the Internet site where notices required by this article are made available.
(b) The notice of a meeting of a body that is a state body shall include a specific agenda for the meeting, containing a brief description of the items of business to be transacted or discussed in either open or closed session. A brief general description of an item generally need not exceed 20 words. A description of an item to be transacted or discussed in closed session shall include a citation of the specific statutory authority under which a closed session is being held. No item shall be added to the agenda subsequent to the provision of this notice, unless otherwise permitted by this article.

(c) Notice of a meeting of a state body that complies with this section shall also constitute notice of a meeting of an advisory body of that state body, provided that the business to be discussed by the advisory body is covered by the notice of the meeting of the state body, provided that the specific time and place of the advisory body’s meeting is announced during the open and public state body’s meeting, and provided that the advisory body’s meeting is conducted within a reasonable time of, and nearby, the meeting of the state body.

(d) A person may request, and shall be provided, notice pursuant to subdivision (a) for all meetings of a state body or for a specific meeting or meetings. In addition, at the state body’s discretion, a person may request, and may be provided, notice of only those meetings of a state body at which a particular subject or subjects specified in the request will be discussed.

(e) A request for notice of more than one meeting of a state body shall be subject to the provisions of Section 14911.

(f) The notice shall be made available in appropriate alternative formats, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof, upon request by any person with a disability. The notice shall include information regarding how, to whom, and by when a request for any disability-related modification or accommodation, including auxiliary aids or services may be made by a person with a disability who requires these aids or services in order to participate in the public meeting.

§ 11125.1. Agenda; writings provided to body; public records

11125.1. (a) Notwithstanding Section 6255 or any other provisions of law, agendas of public meetings and other writings, when distributed to all, or a majority of all, of the members of a state body by any person in connection with a matter subject to discussion or consideration at a public meeting of the body, are disclosable public records under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), and shall be made available upon request without delay. However, this section shall not include any writing exempt from public disclosure under Section 6253.5, 6254, or 6254.7 of this code, or Section 489.1 or 583 of the Public Utilities Code.

(b) Writings that are public records under subdivision (a) and that are distributed to members of the state body prior to or during a meeting, pertaining to any item to be considered during the
meeting, shall be made available for public inspection at the meeting if prepared by the state body or a member of the state body, or after the meeting if prepared by some other person. These writings shall be made available in appropriate alternative formats, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof, upon request by a person with a disability.

(c) In the case of the Franchise Tax Board, prior to that state body taking final action on any item, writings pertaining to that item that are public records under subdivision (a) that are distributed to members of the state body by board staff or individual members prior to or during a meeting shall be:

(1) Made available for public inspection at that meeting.

(2) Distributed to all persons who request notice in writing pursuant to subdivision (a) of Section 11125.

(3) Made available on the Internet.

(d) Prior to the State Board of Equalization taking final action on any item that does not involve a named tax or fee payer, writings pertaining to that item that are public records under subdivision (a) that are prepared and distributed by board staff or individual members to members of the state body prior to or during a meeting shall be:

(1) Made available for public inspection at that meeting.

(2) Distributed to all persons who request or have requested copies of these writings.

(3) Made available on the Internet.

(e) Nothing in this section shall be construed to prevent a state body from charging a fee or deposit for a copy of a public record pursuant to Section 6253, except that no surcharge shall be imposed on persons with disabilities in violation of Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof. The writings described in subdivision (b) are subject to the requirements of the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), and shall not be construed to limit or delay the public’s right to inspect any record required to be disclosed by that act, or to limit the public’s right to inspect any record covered by that act. This section shall not be construed to be applicable to any writings solely because they are properly discussed in a closed session of a state body. Nothing in this article shall be construed to require a state body to place any paid advertisement or any other paid notice in any publication.

(f) “Writing” for purposes of this section means “writing” as defined under Section 6252.
§ 11125.2. Announcement of personnel action

11125.2. Any state body shall report publicly at a subsequent public meeting any action taken, and any rollcall vote thereon, to appoint, employ, or dismiss a public employee arising out of any closed session of the state body.

§ 11125.3. Exception to agenda requirements

11125.3. (a) Notwithstanding Section 11125, a state body may take action on items of business not appearing on the posted agenda under any of the conditions stated below:

(1) Upon a determination by a majority vote of the state body that an emergency situation exists, as defined in Section 11125.5.

(2) Upon a determination by a two-thirds vote of the state body, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there exists a need to take immediate action and that the need for action came to the attention of the state body subsequent to the agenda being posted as specified in Section 11125.

(b) Notice of the additional item to be considered shall be provided to each member of the state body and to all parties that have requested notice of its meetings as soon as is practicable after a determination of the need to consider the item is made, but shall be delivered in a manner that allows it to be received by the members and by newspapers of general circulation and radio or television stations at least 48 hours before the time of the meeting specified in the notice. Notice shall be made available to newspapers of general circulation and radio or television stations by providing that notice to all national press wire services. Notice shall also be made available on the Internet as soon as is practicable after the decision to consider additional items at a meeting has been made.

§ 11125.4. Special meetings

11125.4. (a) A special meeting may be called at any time by the presiding officer of the state body or by a majority of the members of the state body. A special meeting may only be called for one of the following purposes where compliance with the 10-day notice provisions of Section 11125 would impose a substantial hardship on the state body or where immediate action is required to protect the public interest:

(1) To consider “pending litigation” as that term is defined in subdivision (e) of Section 11126.

(2) To consider proposed legislation.

(3) To consider issuance of a legal opinion.
(4) To consider disciplinary action involving a state officer or employee.

(5) To consider the purchase, sale, exchange, or lease of real property.

(6) To consider license examinations and applications.

(7) To consider an action on a loan or grant provided pursuant to Division 31 (commencing with Section 50000) of the Health and Safety Code.

(b) When a special meeting is called pursuant to one of the purposes specified in subdivision (a), the state body shall provide notice of the special meeting to each member of the state body and to all parties that have requested notice of its meetings as soon as is practicable after the decision to call a special meeting has been made, but shall be delivered in a manner that allows it to be received by the members and by newspapers of general circulation and radio or television stations at least 48 hours before the time of the special meeting specified in the notice. Notice shall be made available to newspapers of general circulation and radio or television stations by providing that notice to all national press wire services. Notice shall also be made available on the Internet within the time periods required by this section. The notice shall specify the time and place of the special meeting and the business to be transacted. The written notice shall additionally specify the address of the Internet site where notices required by this article are made available. No other business shall be considered at a special meeting by the state body. The written notice may be dispensed with as to any member who at or prior to the time the meeting convenes files with the clerk or secretary of the state body a written waiver of notice. The waiver may be given by telegram, facsimile transmission, or similar means. The written notice may also be dispensed with as to any member who is actually present at the meeting at the time it convenes. Notice shall be required pursuant to this section regardless of whether any action is taken at the special meeting.

(c) At the commencement of any special meeting, the state body must make a finding in open session that the delay necessitated by providing notice 10 days prior to a meeting as required by Section 11125 would cause a substantial hardship on the body or that immediate action is required to protect the public interest. The finding shall set forth the specific facts that constitute the hardship to the body or the impending harm to the public interest. The finding shall be adopted by a two-thirds vote of the body, or, if less than two-thirds of the members are present, a unanimous vote of those members present. The finding shall be made available on the Internet. Failure to adopt the finding terminates the meeting.

§ 11125.5. Emergency meetings

11125.5. (a) In the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities, a state body may hold an emergency meeting without complying with the 10-day notice requirement of Section 11125 or the 48-hour notice requirement of Section 11125.4.
(b) For purposes of this section, “emergency situation” means any of the following, as determined by a majority of the members of the state body during a meeting prior to the emergency meeting, or at the beginning of the emergency meeting:

(1) Work stoppage or other activity that severely impairs public health or safety, or both.

(2) Crippling disaster that severely impairs public health or safety, or both.

(c) However, newspapers of general circulation and radio or television stations that have requested notice of meetings pursuant to Section 11125 shall be notified by the presiding officer of the state body, or a designee thereof, one hour prior to the emergency meeting by telephone. Notice shall also be made available on the Internet as soon as is practicable after the decision to call the emergency meeting has been made. If telephone services are not functioning, the notice requirements of this section shall be deemed waived, and the presiding officer of the state body, or a designee thereof, shall notify those newspapers, radio stations, or television stations of the fact of the holding of the emergency meeting, the purpose of the meeting, and any action taken at the meeting as soon after the meeting as possible.

(d) The minutes of a meeting called pursuant to this section, a list of persons who the presiding officer of the state body, or a designee thereof, notified or attempted to notify, a copy of the rollcall vote, and any action taken at the meeting shall be posted for a minimum of 10 days in a public place, and also made available on the Internet for a minimum of 10 days, as soon after the meeting as possible.

§ 11125.6. Emergency meetings; Fish and Game Commission

11125.6. (a) An emergency meeting may be called at any time by the president of the Fish and Game Commission or by a majority of the members of the commission to consider an appeal of a closure of or restriction in a fishery adopted pursuant to Section 7710 of the Fish and Game Code. In the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of an established fishery, the commission may hold an emergency meeting without complying with the 10-day notice requirement of Section 11125 or the 48-hour notice requirement of Section 11125.4 if the delay necessitated by providing the 10-day notice of a public meeting required by Section 11125 or the 48-hour notice required by Section 11125.4 would significantly adversely impact the economic benefits of a fishery to the participants in the fishery and to the people of the state or significantly adversely impact the sustainability of a fishery managed by the state.

(b) At the commencement of an emergency meeting called pursuant to this section, the commission shall make a finding in open session that the delay necessitated by providing notice 10 days prior to a meeting as required by Section 11125 or 48 hours prior to a meeting as required by Section 11125.4 would significantly adversely impact the economic benefits of a fishery to the participants in the fishery and to the people of the state or significantly adversely impact the sustainability of a fishery managed by the state. The finding shall set forth the specific facts that
constitute the impact to the economic benefits of the fishery or the sustainability of the fishery. The finding shall be adopted by a vote of at least four members of the commission, or, if less than four of the members are present, a unanimous vote of those members present. Failure to adopt the finding shall terminate the meeting.

(c) Newspapers of general circulation and radio or television stations that have requested notice of meetings pursuant to Section 11125 shall be notified by the presiding officer of the commission, or a designee thereof, one hour prior to the emergency meeting by telephone.

(d) The minutes of an emergency meeting called pursuant to this section, a list of persons who the president of the commission, or a designee thereof, notified or attempted to notify, a copy of the rollecall vote, and any action taken at the meeting shall be posted for a minimum of 10 days in a public place as soon after the meeting as possible.

§ 11125.7  Opportunity for public to speak at meeting

11125.7. (a) Except as otherwise provided in this section, the state body shall provide an opportunity for members of the public to directly address the state body on each agenda item before or during the state body’s discussion or consideration of the item. This section is not applicable if the agenda item has already been considered by a committee composed exclusively of members of the state body at a public meeting where interested members of the public were afforded the opportunity to address the committee on the item, before or during the committee’s consideration of the item, unless the item has been substantially changed since the committee heard the item, as determined by the state body. Every notice for a special meeting at which action is proposed to be taken on an item shall provide an opportunity for members of the public to directly address the state body concerning that item prior to action on the item. In addition, the notice requirement of Section 11125 shall not preclude the acceptance of testimony at meetings, other than emergency meetings, from members of the public, provided, however, that no action is taken by the state body at the same meeting on matters brought before the body by members of the public.

(b) The state body may adopt reasonable regulations to ensure that the intent of subdivision (a) is carried out, including, but not limited to, regulations limiting the total amount of time allocated for public comment on particular issues and for each individual speaker.

(c) The state body shall not prohibit public criticism of the policies, programs, or services of the state body, or of the acts or omissions of the state body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law.

(d) This section is not applicable to closed sessions held pursuant to Section 11126.

(e) This section is not applicable to decisions regarding proceedings held pursuant to Chapter 5 (commencing with Section 11500), relating to administrative adjudication, or to the conduct of those proceedings.
(f) This section is not applicable to hearings conducted by the State Board of Control pursuant to Sections 13963 and 13963.1.

(g) This section is not applicable to agenda items that involve decisions of the Public Utilities Commission regarding adjudicatory hearings held pursuant to Chapter 9 (commencing with Section 1701) of Part 1 of Division 1 of the Public Utilities Code. For all other agenda items, the commission shall provide members of the public, other than those who have already participated in the proceedings underlying the agenda item, an opportunity to directly address the commission before or during the commission’s consideration of the item.

§ 11125.8. Closed session; Board of Control; crime victims

11125.8. (a) Notwithstanding Section 11131.5, in any hearing that the State Board of Control conducts pursuant to Section 13963.1 and that the applicant or applicant’s representative does not request be open to the public, no notice, agenda, announcement, or report required under this article need identify the applicant.

(b) In any hearing that the board conducts pursuant to Section 13963.1 and that the applicant or applicant’s representative does not request be open to the public, the board shall disclose that the hearing is being held pursuant to Section 13963.1. That disclosure shall be deemed to satisfy the requirements of subdivision (a) of Section 11126.3.

§ 11125.9. Regional water quality control boards; additional notice requirements

11125.9. Regional water quality control boards shall comply with the notification guidelines in Section 11125 and, in addition, shall do both of the following:

(a) Notify, in writing, all clerks of the city councils and county boards of supervisors within the regional board’s jurisdiction of any and all board hearings at least 10 days prior to the hearing. Notification shall include an agenda for the meeting with contents as described in subdivision (b) of Section 11125 as well as the name, address, and telephone number of any person who can provide further information prior to the meeting, but need not include a list of witnesses expected to appear at the meeting. Each clerk, upon receipt of the notification of a board hearing, shall distribute the notice to all members of the respective city council or board of supervisors within the regional board’s jurisdiction.

(b) Notify, in writing, all newspapers with a circulation rate of at least 10,000 within the regional board’s jurisdiction of any and all board hearings, at least 10 days prior to the hearing. Notification shall include an agenda for the meeting with contents as described in subdivision (b) of Section 11125 as well as the name, address, and telephone number of any person who can provide further information prior to the meeting, but need not include a list of witnesses expected to appear at the meeting.
§ 11126. Closed sessions

11126. (a)(1) Nothing in this article shall be construed to prevent a state body from holding closed sessions during a regular or special meeting to consider the appointment, employment, evaluation of performance, or dismissal of a public employee or to hear complaints or charges brought against that employee by another person or employee unless the employee requests a public hearing.

(2) As a condition to holding a closed session on the complaints or charges to consider disciplinary action or to consider dismissal, the employee shall be given written notice of his or her right to have a public hearing, rather than a closed session, and that notice shall be delivered to the employee personally or by mail at least 24 hours before the time for holding a regular or special meeting. If notice is not given, any disciplinary or other action taken against any employee at the closed session shall be null and void.

(3) The state body also may exclude from any public or closed session, during the examination of a witness, any or all other witnesses in the matter being investigated by the state body.

(4) Following the public hearing or closed session, the body may deliberate on the decision to be reached in a closed session.

(b) For the purposes of this section, “employee” does not include any person who is elected to, or appointed to a public office by, any state body. However, officers of the California State University who receive compensation for their services, other than per diem and ordinary and necessary expenses, shall, when engaged in that capacity, be considered employees. Furthermore, for purposes of this section, the term employee includes a person exempt from civil service pursuant to subdivision (e) of Section 4 of Article VII of the California Constitution.

(c) Nothing in this article shall be construed to do any of the following:

(1) Prevent state bodies that administer the licensing of persons engaging in businesses or professions from holding closed sessions to prepare, approve, grade, or administer examinations.

(2) Prevent an advisory body of a state body that administers the licensing of persons engaged in businesses or professions from conducting a closed session to discuss matters that the advisory body has found would constitute an unwarranted invasion of the privacy of an individual licensee or applicant if discussed in an open meeting, provided the advisory body does not include a quorum of the members of the state body it advises. Those matters may include review of an applicant’s qualifications for licensure and an inquiry specifically related to the state body’s enforcement program concerning an individual licensee or applicant where the inquiry occurs prior to the filing of a civil, criminal, or administrative disciplinary action against the licensee or applicant by the state body.
(3) Prohibit a state body from holding a closed session to deliberate on a decision to be reached in a proceeding required to be conducted pursuant to Chapter 5 (commencing with Section 11500) or similar provisions of law.

(4) Grant a right to enter any correctional institution or the grounds of a correctional institution where that right is not otherwise granted by law, nor shall anything in this article be construed to prevent a state body from holding a closed session when considering and acting upon the determination of a term, parole, or release of any individual or other disposition of an individual case, or if public disclosure of the subjects under discussion or consideration is expressly prohibited by statute.

(5) Prevent any closed session to consider the conferring of honorary degrees, or gifts, donations, and bequests that the donor or proposed donor has requested in writing to be kept confidential.

(6) Prevent the Alcoholic Beverage Control Appeals Board from holding a closed session for the purpose of holding a deliberative conference as provided in Section 11125.

(7) (A) Prevent a state body from holding closed sessions with its negotiator prior to the purchase, sale, exchange, or lease of real property by or for the state body to give instructions to its negotiator regarding the price and terms of payment for the purchase, sale, exchange, or lease.

   (B) However, prior to the closed session, the state body shall hold an open and public session in which it identifies the real property or real properties that the negotiations may concern and the person or persons with whom its negotiator may negotiate.

   (C) For purposes of this paragraph, the negotiator may be a member of the state body.

   (D) For purposes of this paragraph, “lease” includes renewal or renegotiation of a lease.

   (E) Nothing in this paragraph shall preclude a state body from holding a closed session for discussions regarding eminent domain proceedings pursuant to subdivision (e).

(8) Prevent the California Postsecondary Education Commission from holding closed sessions to consider matters pertaining to the appointment or termination of the Director of the California Postsecondary Education Commission.

(9) Prevent the Council for Private Postsecondary and Vocational Education from holding closed sessions to consider matters pertaining to the appointment or termination of the Executive Director of the Council for Private Postsecondary and Vocational Education.

(10) Prevent the Franchise Tax Board from holding closed sessions for the purpose of discussion of confidential tax returns or information the public disclosure of which is prohibited by
law, or from considering matters pertaining to the appointment or removal of the Executive Officer of the Franchise Tax Board.

(11) Require the Franchise Tax Board to notice or disclose any confidential tax information considered in closed sessions, or documents executed in connection therewith, the public disclosure of which is prohibited pursuant to Article 2 (commencing with Section 19542) of Chapter 7 of Part 10.2 of the Revenue and Taxation Code.

(14) Prevent the State Board of Education or the Superintendent of Public Instruction, or any committee advising the board or the superintendent, from holding closed sessions on those portions of its review of assessment instruments pursuant to Chapter 5 (commencing with Section 60600) of, or pursuant to Chapter 8 (commencing with Section 60850) of, Part 33 of the Education Code during which actual test content is reviewed and discussed. The purpose of this provision is to maintain the confidentiality of the assessments under review.

(15) Prevent the California Integrated Waste Management Board or its auxiliary committees from holding closed sessions for the purpose of discussing confidential tax returns, discussing trade secrets or confidential or proprietary information in its possession, or discussing other data, the public disclosure of which is prohibited by law.

(16) Prevent a state body that invests retirement, pension, or endowment funds from holding closed sessions when considering investment decisions. For purposes of consideration of shareholder voting on corporate stocks held by the state body, closed sessions for the purposes of voting may be held only with respect to election of corporate directors, election of independent auditors, and other financial issues that could have a material effect on the net income of the corporation. For the purpose of real property investment decisions that may be considered in a closed session pursuant to this paragraph, a state body shall also be exempt from the provisions of paragraph (7) relating to the identification of real properties prior to the closed session.

(17) Prevent a state body, or boards, commissions, administrative officers, or other representatives that may properly be designated by law or by a state body, from holding closed sessions with its representatives in discharging its responsibilities under Chapter 10 (commencing with Section 3500), Chapter 10.3 (commencing with Section 3512), Chapter 10.5 (commencing with Section 3525), or Chapter 10.7 (commencing of Section 3540) of Division 4 of Title 1 as the sessions relate to salaries, salary schedules, or compensation paid in the form of fringe benefits. (A) Prevent a state body from holding closed sessions to consider matters posing a threat or potential threat of criminal or terrorist activity against the personnel, property, buildings, facilities, or equipment, including electronic data, owned, leased, or controlled by the state body, where disclosure of these considerations could compromise or impede the safety or security of the personnel, property, buildings, facilities, or equipment, including electronic data, owned, leased, or controlled by the state body.

(B) Notwithstanding any other provision of law, a state body, at any regular or special meeting, may meet in a closed session pursuant to subparagraph (A) upon a two-thirds vote of the members present at the meeting.

(D) After meeting in closed session pursuant to subparagraph (A), the state body shall submit to the Legislative Analyst written notification stating that it held this closed session, the general reason or reasons for the closed session, the general nature of the matters considered, and whether any action was taken in closed session. The Legislative Analyst shall retain for no less than four years any written notification received from a state body pursuant to this subparagraph.

(2) Nothing in this article shall be construed to prevent the Public Utilities Commission from holding closed sessions to deliberate on the institution of proceedings, or disciplinary actions against any person or entity under the jurisdiction of the commission.

(e)(1) Nothing in this article shall be construed to prevent a state body, based on the advice of its legal counsel, from holding a closed session to confer with, or receive advice from, its legal counsel regarding pending litigation when discussion in open session concerning those matters would prejudice the position of the state body in the litigation.

(2) For purposes of this article, all expressions of the lawyer-client privilege other than those provided in this subdivision are hereby abrogated. This subdivision is the exclusive expression of the lawyer-client privilege for purposes of conducting closed session meetings pursuant to this article. For purposes of this subdivision, litigation shall be considered pending when any of the following circumstances exist:

(A) An adjudicatory proceeding before a court, an administrative body exercising its adjudicatory authority, a hearing officer, or an arbitrator, to which the state body is a party, has been initiated formally.
(B)(i) A point has been reached where, in the opinion of the state body on the advice of its legal counsel, based on existing facts and circumstances, there is a significant exposure to litigation against the state body.

(ii) Based on existing facts and circumstances, the state body is meeting only to decide whether a closed session is authorized pursuant to clause (i).

(C) (i) Based on existing facts and circumstances, the state body has decided to initiate or is deciding whether to initiate litigation.

(ii) The legal counsel of the state body shall prepare and submit to it a memorandum stating the specific reasons and legal authority for the closed session. If the closed session is pursuant to paragraph (1), the memorandum shall include the title of the litigation. If the closed session is pursuant to subparagraph (A) or (B), the memorandum shall include the existing facts and circumstances on which it is based. The legal counsel shall submit the memorandum to the state body prior to the closed session, if feasible, and in any case no later than one week after the closed session. The memorandum shall be exempt from disclosure pursuant to Section 6254.25.

(iii) For purposes of this subdivision, “litigation” includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator.

(iv) Disclosure of a memorandum required under this subdivision shall not be deemed as a waiver of the lawyer-client privilege, as provided for under Article 3 (commencing with Section 950) of Chapter 4 of Division 8 of the Evidence Code.

(f) In addition to subdivisions (a), (b), and (c), nothing in this article shall be construed to do any of the following:

1. Prevent a state body operating under a joint powers agreement for insurance pooling from holding a closed session to discuss a claim for the payment of tort liability or public liability losses incurred by the state body or any member agency under the joint powers agreement.

2. Prevent the examining committee established by the State Board of Forestry and Fire Protection, pursuant to Section 763 of the Public Resources Code, from conducting a closed session to consider disciplinary action against an individual professional forester prior to the filing of an accusation against the forester pursuant to Section 11503.

3. Prevent an administrative committee established by the California Board of Accountancy pursuant to Section 5020 of the Business and Professions Code from conducting a closed session to consider disciplinary action against an individual accountant prior to the filing of an accusation against the accountant pursuant to Section 11503. Nothing in this article shall be construed to prevent an examining committee established by the California Board of Accountancy pursuant to
Section 5023 of the Business and Professions Code from conducting a closed hearing to interview an individual applicant or accountant regarding the applicant’s qualifications.

(4) Prevent a state body, as defined in subdivision (b) of Section 11121, from conducting a closed session to consider any matter that properly could be considered in closed session by the state body whose authority it exercises.

(5) Prevent a state body, as defined in subdivision (d) of Section 11121, from conducting a closed session to consider any matter that properly could be considered in a closed session by the body defined as a state body pursuant to subdivision (a) or (b) of Section 11121.

(6) Prevent a state body, as defined in subdivision (c) of Section 11121, from conducting a closed session to consider any matter that properly could be considered in a closed session by the state body it advises.

(7) Prevent the State Board of Equalization from holding closed sessions for either of the following:

(A) When considering matters pertaining to the appointment or removal of the Executive Secretary of the State Board of Equalization.

(B) For the purpose of hearing confidential taxpayer appeals or data, the public disclosure of which is prohibited by law.

(8) Require the State Board of Equalization to disclose any action taken in closed session or documents executed in connection with that action, the public disclosure of which is prohibited by law pursuant to Sections 15619 and 15641 of this code and Sections 833, 7056, 8255, 9255, 11655, 30455, 32455, 38705, 38706, 43651, 45982, 46751, 50159, 55381, and 60609 of the Revenue and Taxation Code.

(9) Prevent the California Earthquake Prediction Evaluation Council, or other body appointed to advise the Director of the Office of Emergency Services or the Governor concerning matters relating to volcanic or earthquake predictions, from holding closed sessions when considering the evaluation of possible predictions.

(g) This article does not prevent either of the following:

(1) The Teachers’ Retirement Board or the Board of Administration of the Public Employees’ Retirement System from holding closed sessions when considering matters pertaining to the recruitment, appointment, employment, or removal of the chief executive officer or when considering matters pertaining to the recruitment or removal of the Chief Investment Officer of the State Teachers’ Retirement System or the Public Employees’ Retirement System.
(2) The Commission on Teacher Credentialing from holding closed sessions when considering matters relating to the recruitment, appointment, or removal of its executive director.

(h) This section shall remain in effect only until January 1, 2006, and as of that date is repealed, unless a later enacted statute, which is enacted before January 1, 2006, deletes or extends that date.

§ 11126.1. Minutes; availability

11126.1. The state body shall designate a clerk or other officer or employee of the state body, who shall then attend each closed session of the state body and keep and enter in a minute book a record of topics discussed and decisions made at the meeting. The minute book made pursuant to this section is not a public record subject to inspection pursuant to the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), and shall be kept confidential. The minute book shall be available to members of the state body or, if a violation of this chapter is alleged to have occurred at a closed session, to a court of general jurisdiction. Such minute book may, but need not, consist of a recording of the closed session.

§ 11126.3. Required notice for closed sessions

11126.3. (a) Prior to holding any closed session, the state body shall disclose, in an open meeting, the general nature of the item or items to be discussed in the closed session. The disclosure may take the form of a reference to the item or items as they are listed by number or letter on the agenda. If the session is closed pursuant to paragraph (2) of subdivision (d) of Section 11126, the state body shall state the title of, or otherwise specifically identify, the proceeding or disciplinary action contemplated. However, should the body determine that to do so would jeopardize the body’s ability to effectuate service of process upon one or more unserved parties if the proceeding or disciplinary action is commenced or that to do so would fail to protect the private economic and business reputation of the person or entity if the proceeding or disciplinary action is not commenced, then the state body shall notice that there will be a closed session and describe in general terms the purpose of that session. If the session is closed pursuant to subparagraph (A) of paragraph (2) of subdivision (e) of Section 11126, the state body shall state the title of, or otherwise specifically identify, the litigation to be discussed unless the body states that to do so would jeopardize the body’s ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

(b) In the closed session, the state body may consider only those matters covered in its disclosure.

(c) The disclosure shall be made as part of the notice provided for the meeting pursuant to Section 11125 or pursuant to subdivision (a) of Section 92032 of the Education Code and of any order or notice required by Section 11129.
(d) If, after the agenda has been published in compliance with this article, any pending litigation (under subdivision (e) of Section 11126) matters arise, the postponement of which will prevent the state body from complying with any statutory, court-ordered, or other legally imposed deadline, the state body may proceed to discuss those matters in closed session and shall publicly announce in the meeting the title of, or otherwise specifically identify, the litigation to be discussed, unless the body states that to do so would jeopardize the body’s ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage. Such an announcement shall be deemed to comply fully with the requirements of this section.

(e) Nothing in this section shall require or authorize a disclosure of names or other information that would constitute an invasion of privacy or otherwise unnecessarily divulge the particular facts concerning the closed session or the disclosure of which is prohibited by state or federal law.

(f) After any closed session, the state body shall reconvene into open session prior to adjournment and shall make any reports, provide any documentation, and make any other disclosures required by Section 11125.2 of action taken in the closed session.

(g) The announcements required to be made in open session pursuant to this section may be made at the location announced in the agenda for the closed session, as long as the public is allowed to be present at that location for the purpose of hearing the announcement.

§ 11126.5. Removal of disruptive persons

11126.5. In the event that any meeting is willfully interrupted by a group or groups of persons so as to render the orderly conduct of such meeting unfeasible and order cannot be restored by the removal of individuals who are willfully interrupting the meeting the state body conducting the meeting may order the meeting room cleared and continue in session. Nothing in this section shall prohibit the state body from establishing a procedure for readmitting an individual or individuals not responsible for willfully disturbing the orderly conduct of the meeting. Notwithstanding any other provision of law, only matters appearing on the agenda may be considered in such a session. Representatives of the press or other news media, except those participating in the disturbance, shall be allowed to attend any session held pursuant to this section.

§ 11126.7. Charging fees prohibited

11126.7. No fees may be charged by a state body for providing a notice required by Section 11125 or for carrying out any provision of this article, except as specifically authorized pursuant to this article.
§ 11127. State bodies covered

11127. Each provision of this article shall apply to every state body unless the body is specifically excepted from that provision by law or is covered by any other conflicting provision of law.

§ 11128. Time restrictions for holding closed sessions

11128. Each closed session of a state body shall be held only during a regular or special meeting of the body.

§ 11128.5. Adjournment

11128.5. The state body may adjourn any regular, adjourned regular, special, or adjourned special meeting to a time and place specified in the order of adjournment. Less than a quorum may so adjourn from time to time. If all members are absent from any regular or adjourned regular meeting, the clerk or secretary of the state body may declare the meeting adjourned to a stated time and place and he or she shall cause a written notice of the adjournment to be given in the same manner as provided in Section 11125.4 for special meetings, unless that notice is waived as provided for special meetings. A copy of the order or notice of adjournment shall be conspicuously posted on or near the door of the place where the regular, adjourned regular, special, or adjourned special meeting was held within 24 hours after the time of the adjournment. When a regular or adjourned regular meeting is adjourned as provided in this section, the resulting adjourned regular meeting is a regular meeting for all purposes. When an order of adjournment of any meeting fails to state the hour at which the adjourned meeting is to be held, it shall be held at the hour specified for regular meetings by law or regulation.

§ 11129. Continuation of meeting; notice requirement

11129. Any hearing being held, or noticed or ordered to be held by a state body at any meeting may by order or notice of continuance be continued or recontinued to any subsequent meeting of the state body in the same manner and to the same extent set forth in Section 11128.5 for the adjournment of meetings. A copy of the order or notice of continuance shall be conspicuously posted on or near the door of the place where the hearing was held within 24 hours after the time of the continuance; provided, that if the hearing is continued to a time less than 24 hours after the time specified in the order or notice of hearing, a copy of the order or notice of continuance of hearing shall be posted immediately following the meeting at which the order or declaration of continuance was adopted or made.

§ 11130. Legal remedies to stop or prohibit violations of act

11130. (a) The Attorney General, the district attorney, or any interested person may commence an action by mandamus, injunction, or declaratory relief for the purpose of stopping or preventing violations or threatened violations of this article or to determine the applicability of this
article to past actions or threatened future action by members of the state body or to determine whether any rule or action by the state body to penalize or otherwise discourage the expression of one or more of its members is valid or invalid under the laws of this state or of the United States, or to compel the state body to tape record its closed sessions as hereinafter provided.

(b) The court in its discretion may, upon a judgment of a violation of Section 11126, order the state body to tape record its closed sessions and preserve the tape recordings for the period and under the terms of security and confidentiality the court deems appropriate.

(c) (1) Each recording so kept shall be immediately labeled with the date of the closed session recorded and the title of the clerk or other officer who shall be custodian of the recording.

(2) The tapes shall be subject to the following discovery procedures:

(A) In any case in which discovery or disclosure of the tape is sought by the Attorney General, the district attorney, or the plaintiff in a civil action pursuant to this section or Section 11130.3 alleging that a violation of this article has occurred in a closed session that has been recorded pursuant to this section, the party seeking discovery or disclosure shall file a written notice of motion with the appropriate court with notice to the governmental agency that has custody and control of the tape recording. The notice shall be given pursuant to subdivision (b) of Section 1005 of the Code of Civil Procedure.

(B) The notice shall include, in addition to the items required by Section 1010 of the Code of Civil Procedure, all of the following:

(i) Identification of the proceeding in which discovery or disclosure is sought, the party seeking discovery or disclosure, the date and time of the meeting recorded, and the governmental agency that has custody and control of the recording.

(ii) An affidavit that contains specific facts indicating that a violation of the act occurred in the closed session.

(3) If the court, following a review of the motion, finds that there is good cause to believe that a violation has occurred, the court may review, in camera, the recording of that portion of the closed session alleged to have violated the act.

(4) If, following the in-camera review, the court concludes that disclosure of a portion of the recording would be likely to materially assist in the resolution of the litigation alleging violation of this article, the court shall, in its discretion, make a certified transcript of the portion of the recording a public exhibit in the proceeding.

(5) Nothing in this section shall permit discovery of communications that are protected by the attorney-client privilege.
§ 11130.3. Cause of action to void action

11130.3. (a) Any interested person may commence an action by mandamus, injunction, or declaratory relief for the purpose of obtaining a judicial determination that an action taken by a state body in violation of Section 11123 or 11125 is null and void under this section. Any action seeking such a judicial determination shall be commenced within 90 days from the date the action was taken. Nothing in this section shall be construed to prevent a state body from curing or correcting an action challenged pursuant to this section.

(b) An action shall not be determined to be null and void if any of the following conditions exist:

(1) The action taken was in connection with the sale or issuance of notes, bonds, or other evidences of indebtedness or any contract, instrument, or agreement related thereto.

(2) The action taken gave rise to a contractual obligation upon which a party has, in good faith, detrimentally relied.

(3) The action taken was in substantial compliance with Sections 11123 and 11125.

(4) The action taken was in connection with the collection of any tax.

§ 11130.5. Court costs; attorney’s fees

11130.5. A court may award court costs and reasonable attorney’s fees to the plaintiff in an action brought pursuant to Section 11130 or 11130.3 where it is found that a state body has violated the provisions of this article. The costs and fees shall be paid by the state body and shall not become a personal liability of any public officer or employee thereof. A court may award court costs and reasonable attorney’s fees to a defendant in any action brought pursuant to Section 11130 or 11130.3 where the defendant has prevailed in a final determination of the action and the court finds that the action was clearly frivolous and totally lacking in merit.

§ 11130.7. Violation; misdemeanor

11130.7. Each member of a state body who attends a meeting of that body in violation of any provision of this article, and where the member intends to deprive the public of information to which the member knows or has reason to know the public is entitled under this article, is guilty of a misdemeanor.

§ 11131. Prohibited meeting facilities; discrimination

11131. No state agency shall conduct any meeting, conference, or other function in any facility that prohibits the admittance of any person, or persons, on the basis of race, religious creed, color, national origin, ancestry, or sex, or that is inaccessible to disabled persons, or where members of the public may not be present without making a payment or purchase. As used in this section,
“state agency” means and includes every state body, office, officer, department, division, bureau, board, council, commission, or other state agency.

§ 11131.5. Required notice; exemption for name of victim

11131.5. No notice, agenda, announcement, or report required under this article need identify any victim or alleged victim of crime, tortious sexual conduct, or child abuse unless the identity of the person has been publicly disclosed.

§ 11132. Closed sessions; express authorization required

11132. Except as expressly authorized by this article, no closed session may be held by any state body.

Bagley-Keene Open Meeting Act Guide

The attached guide includes all statutory amendments to the Bagley-Keene Open Meeting Act, through January 1, 2017. Please disregard all previous guides to the Bagley-Keene Act, issued by the Legal Affairs Division.

There are three changes that took effect during 2016:

1. Section 11121 was amended to include the State Bar of California as a “state body” subject to the Bagley Keene Open Meeting Act (Act), commencing April 1, 2016. Accordingly, the State Bar is subject to the Act, notwithstanding the exclusion provided for in section 11121.1.

2. To ensure that non-English speakers have the same opportunity to address the state body during public comment when state bodies place a time limit on the time for public comment, section 11125.7 was amended, to require the state body to allow additional time for a member of the public, who uses a translator, unless the state body utilizes simultaneous translation equipment.

3. Section 11125.8 was amended, effective June 27, 2016, to provide that any hearings, conducted pursuant to section 13963.1 are conducted by the California Victim Compensation Board, and neither the applicant nor the applicant’s representative request that the hearing be open to the public, the applicant’s identity is not required to be placed on the notice, agenda, announcement or report. However, in such hearing, the board shall disclose that the hearing is being held pursuant to section 13963.1. This disclosure will satisfy the disclosure requirements of section 11126.3(a).

We hope that this document is helpful to you in answering questions you may have regarding the requirements of the Open Meeting Act. Please let us know if you have questions or suggestions for improvements to the guide.

GUIDE TO THE
BAGLEY-KEENE OPEN MEETING ACT
(Includes Amendments through January 1, 2017)

This guide is an update on the provisions of the public meetings law governing state agencies, officially called the Bagley-Keene Open Meeting Act. (Article 9 (commencing with Section 11120), Chapter 1, Part 1, Division 3, Title 2 of the Government Code). The Open Meeting Act closely parallels the Ralph M. Brown Act, which governs meetings of local government agencies. This guide includes all statutory changes through January 1, 2017. Please disregard all previous Guides to the Bagley-Keene Open Meeting Act (distributed prior to January 15, 2017) on this subject.

All statutory references are to the Government Code.

I. PUBLIC POLICY TO CONDUCT PEOPLE’S BUSINESS OPENLY

Section 11120 sets forth the purpose of the law:

"It is the public policy of this state that public agencies exist to aid in the conduct of the people's business and the proceedings of public agencies be conducted openly so that the public may remain informed.

In enacting this article the Legislature finds and declares that it is the intent of the law that actions of state agencies be taken openly and that their deliberation be conducted openly.

The people of this state do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.

This article shall be known and may be cited as the Bagley-Keene Open Meeting Act."

Each board has essentially three duties under the Open Meeting Act. First, to give timely and sufficient public notice of meetings to be held. Second, to provide an opportunity for public comment. Third, to conduct such meetings in open session, except where a closed session is specifically authorized. We use the terms “agency” and “board” to mean not only boards, but also commissions and any examining committees or boards within the jurisdiction of the Medical Board of California.

Section 11121 defines the “state body” that is subject to the Bagley Keene Act. Unless specifically excluded by statute, a “state body” is defined as a state board, commission or similar multimember body of the state that is created by statute or required by law to conduct official meetings and every commission created by executive order; or a
board, commission committee or similar multimember body that exercises any authority, delegated to it by that state body; or an advisory commission, an advisory board, advisory committee, advisory subcommittee or similar multimember advisory body of a state body, if created by formal action of the state body or any member of the state body, and if the advisory body so created, consists of three or more persons. Effective April 1, 2016, the definition of “state body” was amended to include the State Bar of California, as described in Section 6001 of the Business and Professions Code. Notwithstanding subdivision (a) of section 11121.1, amended effective April 1, 2016, the State Bar is subject to the Bagley-Keene Open Meeting Act and the California Public Records Act. (§ 11121(e))

II. BOARD, COMMITTEE, SUBCOMMITTEE, TASK FORCE MEETINGS

A. Definition of a “Meeting”

“Meeting” is defined in the Act as including “any congregation of a majority of the members of a state body at the same time and place to hear, discuss, or deliberate upon any item that is within the subject matter jurisdiction of the state body to which it pertains.” (§11122.5(a)) The law now prohibits use by a majority of the members of a state body of direct communications or a series of communications of any kind, directly or through personal intermediaries, or technological devices (such as e-mails) to discuss, deliberate, or take action on any item of business that is within the subject matter of the state body. (§11122.5(b) (1).

B. Exemptions from Definition of Meeting

The law recognizes that not all gatherings of a majority of members of a state body at a single location constitute a meeting. Current law provides that the provisions of the Act do not apply to the following situations, provided that "a majority of the members do not discuss among themselves, other than as part of a scheduled program, business of a specified nature that is within the subject matter jurisdiction of the state body." (§11122.5(c))

- Individual contacts or conversations between a member of a state body and any other person. (§11122.5(c)(1))
- Attendance by a majority of members at a conference or similar gathering open to the public that involves a discussion of issues of general interest to the public or to public agencies of the type represented by the state body. (§11122.5(c)(2))
- Attendance by a majority of members at an open and publicized meeting organized to address a topic of state concern by a person or organization other than the state body. (§11122.5(c)(3))
- Attendance by a majority of members at an open and noticed meeting of another state body or of a legislative body of a local agency. (§11122.5(c)(4))
- Attendance by a majority of members at a purely social or ceremonial occasion. (§11122.5(c)(5))
• Attendance by a majority of members at an open and noticed meeting of a standing committee of that body, provided the members of the body who are not members of the committee attend only as observers. (§11122.5(c)(6))

The law does not, however, prevent an employee or official of a state agency from engaging in separate communications outside of a noticed meeting with members of the legislature to answer questions or provide information about a matter within the agency’s subject matter jurisdiction – with the limitation that the person cannot communicate to members of the legislative body, the comments or position of any other member of the legislative body. (§11122.5(b)(2))

C. Board and Committee Meetings

There are two basic types of meetings held by agencies in the Department of Consumer Affairs. The first type is a board meeting, where a quorum of the members of the board is present. The second type is a committee meeting consisting of less than a quorum of the members of the full board. Subcommittee and task force meetings are variations of committee meetings.

Board meetings have historically been required to be noticed and open to the public, except where a closed session is authorized. Committee and subcommittee meetings, where less than a quorum of the board is present, are also required to be noticed and open to the public. The only exception is for a committee that consists of fewer than three persons and does not exercise any authority of a state body delegated to it by that state body. (NOTE – it is the number of persons on the committee [not the number of board members] that is determinative.)

Where a committee of fewer than three persons is to meet, and the meeting is not noticed, other members of the board should not attend the meeting, as such attendance would clearly be perceived as an Open Meeting Act violation. Board staff is not precluded from attending such a meeting.

[Restriction on Attendance at Committee Meetings] The law allows attendance by a majority of members at an open and noticed meeting of a standing committee of the board, provided the members of the board who are not members of the committee attend only as observers. (§11122.5(c)(6)) The Office of the Attorney General has addressed in a formal opinion a provision in the Brown Act relating to the attendance of "observers" at a committee meeting. The Attorney General concluded that "[m]embers of the legislative body of a local public agency may not ask questions or make statements while attending a meeting of a standing committee of the legislative body ‘as observers.’" The opinion further concluded that such members of the legislative body may not sit in special chairs on the dais with the committee. (81 Ops.Cal.Atty.Gen. 156)
Thus, under the provisions of section 11122.5(c)(6), and the opinion of the California Attorney General, if a majority of members of the full board are present at a committee meeting, members who are not members of the committee that is meeting may attend that meeting only as observers. The board members who are not committee members may not sit on the dais with the committee, and may not participate in the meeting by making statements or asking questions.

If a board schedules its committee meetings seriatim, and other board members are typically present to ultimately be available for their own committee meeting, your notice of the committee meeting should contain a statement to the effect that “Members of the board who are not members of this committee may be attending the meeting only as observers.”

Subcommittees may be appointed to study and report back to a committee or the board on a particular issue or issues. If the subcommittee consists of three or more persons, the same provisions apply to its meetings as apply to meetings of committees.

Board chairpersons may occasionally appoint a task force to study and report on a particular issue. One or two board members typically serve as task force members, along with a number of other non-board members. When this is the case, the same Open Meeting Act rules that apply to committee meetings apply to task force meetings. Such a formally appointed task force falls under the definition of “state body” in Section 11121(c).”

III. TYPES OF MEETINGS; PURPOSE; NOTICE; OTHER REQUIREMENTS

Boards and committees may hold several types of meetings, including a regularly scheduled meeting, a “special” meeting, or an “emergency” meeting under the provisions of section 11125.5. This section of the memorandum addresses who can hold certain types of meetings, the purposes for which the meetings can be held, notice requirements, and any other special requirements or prohibitions.

A. Regularly Scheduled Meetings

1. Who May Hold a Regularly Scheduled Meeting

A board, committee, subcommittee, or task force may hold a regularly scheduled meeting. These are the business meetings that are scheduled throughout the year to conduct the usual and customary business of the board. Such meetings may generally be called by the chairperson, or by a majority of the body. However, you must refer to your particular licensing act, which may contain different provisions as to who may call a meeting.

2. Purposes for Which the Meeting May be Held

These meetings are to conduct the usual and customary business of the board, or the business of a committee, subcommittee or task force as directed by the board. The subject matter of the meetings is essentially dictated by the jurisdiction of the board as found in the board’s licensing act. There are no statutory restrictions in the Open Meeting Act on the purposes for which a regularly scheduled meeting may be held.
3. Notice Requirements for a Regularly Scheduled Meeting

a. Board Meetings

An agency is required to give at least 10 calendar days written notice of each board meeting to be held. (§11125(a).) Effective January 1, 2015, an agency is authorized to provide that notice by regular mail, email or both. However, that same section requires an agency to give a person requesting notice the option of receiving the notice by regular mail, email or both and the agency must comply with that requester’s choice for receiving notice of meetings. (Business and Professions Code section 101.7) The notice must include the name, address, and telephone number of a person who can provide further information prior to the meeting and must contain the website address where the notice can be accessed. The notice must also be posted on the Internet at least 10 calendar days before the meeting.

In addition to the website posting, effective January 1, 2003, the notice is required to be made available in appropriate alternate formats upon request by any person with a disability.

The notice of each board meeting must include an agenda that is prepared for the meeting. The agenda must include all items of business to be transacted or discussed at the meeting. "... A brief general description of an item generally need not exceed 20 words. ... No item shall be added to the agenda subsequent to the provision of this notice." (§11125(b)) This provision does not, however, preclude amending an agenda provided the amended notice is distributed and posted on the Internet at least 10 calendar days prior to the meeting. Effective January 1, 2003, the notice must include information that would enable a person with a disability to know how, to whom, and by when a request may be made for any disability-related modification or accommodation, including auxiliary aids or services. (§11125(f)) We suggest the following as standard language:

The meeting is accessible to the physically disabled. A person who needs a disability-related accommodation or modification in order to participate in the meeting may make a request by contacting ____________ at (916) __________ or sending a written request to that person at the Board [Address], Sacramento, California, [zip code]. Providing your request at least five (5) business days before the meeting will help ensure availability of the requested accommodation.

The definition of "action taken" in Section 11122 is of some aid in determining what the Legislature intended by use of the words "items of business to be transacted."

"11122. As used in this article 'action taken' means a collective decision made by the members of a state body, a collective commitment or promise by the members of the state body to make a positive or negative decision or an actual vote by the members of a state body when sitting as a body or entity upon a motion, proposal, resolution, order or similar action."
General agenda items such as "New Business," "Old Business," "Executive Officer's Report," "Committee Reports," "President's Report," "Miscellaneous," etc., without specifying the particular matters thereunder, lack sufficient specificity to meet the standards of the Open Meeting Act and cannot be used to circumvent the notice requirement of a specific agenda. The Office of the Attorney General has opined that:

"... the purpose of subdivision (b) [of Government Code Section 11125] is to provide advance information to interested members of the public concerning the state body's anticipated business in order that they may attend the meeting or take whatever other action they deem appropriate under the circumstances.

* * *

"We believe that Section 11125 was and is intended to nullify the need for . . . guesswork or further inquiry on the part of the interested public." (67 Ops.Cal.Atty.Gen. 85, 87)

Items not included on the agenda may not be acted on or discussed, even if no action is to be taken by the agency. However, we offer two suggestions so members of the public and board members may raise issues that are not on the agenda.

We strongly encourage boards to include an item on their agendas for "Public Comment on Matters Not on the Agenda." This gives persons who are attending a meeting an opportunity to raise any issues they may have, which may not be on the agenda, but which may be appropriate for future board discussion. Matters raised under this agenda item should be discussed only to the extent necessary to determine whether they should be made an agenda item at a future meeting. (§11125.7(a))

It must be reiterated that no action may be taken on any such item and discussion is limited to that which is necessary to make the determination as to whether the item will be added to a future board agenda.

While neither the California Victim Compensation Board nor the Government Claims Board are within the Department of Consumer Affairs, any hearing conducted by either of these boards, pursuant to Section 13963.1 and neither representative requests the hearing be open to the public, the notice, agenda, announcement or report need not identify the applicant. (§11125.8)

We also strongly encourage boards to include an item on their agenda for "Agenda Items for Future Meetings." This allows all board members an opportunity to request specific agenda items for a meeting. Again, these items should be discussed only to the extent necessary to determine whether they should be included as agenda items for a future meeting.

[CAVEAT: If the regularly scheduled meeting will have a closed session agenda item or items, or be held by teleconference, please refer to the discussion of additional requirements under those headings, below.]
The notice and the agenda must be provided to any person who requests it. A member of the public may request notice for a specific meeting, for all meetings at which a particular subject will be discussed or action taken thereon, or for all meetings of the agency. Mailing lists of persons who desire to be notified of more than one meeting must be maintained pursuant to Section 14911, which provides:

"14911. Whenever any state agency maintains a mailing list of public officials or other persons to whom publications or other printed matter is sent without charge, the state agency shall correct its mailing list and verify its accuracy at least once each year. This shall be done by addressing an appropriate postcard or letter to each person on the mailing list. The name of any person who does not respond to such letter or postcard, or who indicates that he does not desire to receive such publications or printed matter, shall be removed from the mailing lists. The response of those desiring to be on the mailing list shall be retained by these agencies for one year."

Effective 1/1/98, a sentence was added to subdivision (c) of Section 11125.1 to state that “Nothing in this article shall be construed to require a state body to place any paid advertisement or any other paid notice in any publication.” (Stats. 1997, Chapt. 949; SB 95) The Legal Office interprets this provision to supersede any provisions in particular practice acts which require newspaper publication of board or committee meetings. Boards and committees, of course, retain the discretion to publish notices in newspapers if they so choose.

b. Committee, Subcommittee or Task Force Meetings

Each agency is required to give notice of committee, subcommittee or task force (“committee”) meetings to be held. However, this requirement does not apply if the committee consists of less than three persons. It is the number of persons on the committee that is determinative, not how many of the persons are board members. Thus, if a committee consisted of two board members and two other interested persons, its meetings would have to meet all the requirements of the Open Meeting Act.

Notice of committee meetings must be provided and posted on the Internet at least 10 calendar days in advance of the meeting. (§11125(a)) The notice "shall include a brief, general description of the business to be transacted or discussed, and no item shall be added subsequent to the provision of the notice." (§11125(c)) The notice must also include the Website address where the notice can be accessed on the Internet. Although the law does not so specify, we would suggest also including in the notice the name, address, and telephone number of a contact person who can provide further information prior to the meeting. As with board meetings, there is no requirement that the notice be published in any newspaper or other periodical. However, the notice must be provided to any person or persons who have requested to be notified of the particular committee's meetings. Effective January 1, 2015, an agency is authorized to provide that notice by regular mail, email or both. However, that same section requires an agency to give a person requesting notice the option of receiving the notice by regular mail, email or both and the agency must comply with that requester’s choice for receiving notice of meetings. (Business and Professions Code section 101.7) You may elect to send such notice to those persons on your regular mailing list.
Remember, you must post your notice on the Internet at least 10 calendar days in advance of the meeting and must make the notice available in appropriate alternate formats upon request by any person with a disability.

Provision is made for certain non-emergency, but sometimes necessary, committee meetings. Where, during the course of a regularly scheduled and properly noticed board meeting, the board desires that a committee presently discuss an item of business on the agenda, the committee may do so provided (a) the specific time and place of the committee meeting is announced during the public meeting of the board, and (b) the committee meeting is conducted within a reasonable time of, and nearby, the meeting of the board. (§11125(c))

4. Specific Requirements for Regularly-Scheduled Meetings

There are no specific requirements, other than those set forth above, for regularly scheduled board, committee, subcommittee or task force meetings.

5. Specific Prohibitions on Holding a Regularly-Scheduled Meeting

There are no statutory prohibitions in the Open Meeting Act on a board, committee, subcommittee or task force conducting a regularly scheduled meeting.

We again remind you that, with respect to committee meetings, members of the board who are not members of the committee that is meeting may only attend the committee meeting as observers. This means these members may not sit on the dais with the committee, make any statements, or ask any questions during the committee meeting. (81 Ops.Cal.Atty.Gen. 156)

B. “Special” Meetings

SB 95 of 1997 created a new category of meeting, identified as a “special” meeting.

1. Who May Hold a Special Meeting

A board, committee, subcommittee or task force may hold a special meeting.

2. Purposes for Which a Special Meeting May be Held

The only purposes for which a special meeting may be held are set forth in section 11125.4, and are drawn from the purposes for which an emergency meeting could be held under the prior law. In essence, the Legislature recharacterized those purposes as constituting “special” circumstances rather than “emergency” circumstances. Section 11125.4 provides in part that:
"(a) A special meeting may be called at any time by the presiding officer of the state body or by a majority of the members of the state body. A special meeting may only be called for one of the following purposes when compliance with the 10-day notice provisions of Section 11125 would impose a substantial hardship on the state body or where immediate action is required to protect the public interest:

1. To consider ‘pending litigation’ as that term is defined in subdivision (e) of Section 11126.

2. To consider proposed legislation.

3. To consider issuance of a legal opinion.

4. To consider disciplinary action involving a state officer or employee.

5. To consider the purchase, sale, exchange, or lease of real property.

6. To consider license examinations and applications.

7. To consider an action on a loan or grant provided pursuant to Division 31 (commencing with Section 50000) of the Health and Safety Code.

8. To consider its response to a confidential final draft audit report as permitted by Section 11126.2.

9. To provide for an interim executive officer of a state body upon the death, incapacity, or vacancy in the office of the executive officer.

* * *

Department of Consumer Affairs licensing boards would most likely hold a special meeting for the purposes set forth in subdivisions (1), (2), (3), (4), and (6).

3. Notice Requirements for a Special Meeting

A special meeting can be called at any time by the presiding officer or a majority of the members of the state body, provided the 10-day notice requirements of section 11125 "would impose a substantial hardship on the state body or where immediate action is required to protect the public interest." (§11125.4(a)) The only purposes for which the meeting can be held are those set forth above.

The normal 10-day advance notice is not required for special meetings. However, notice of the special meeting is required to be provided to each member of the state agency and to persons who have requested notice of the agency’s meetings as soon as practicable after the decision to hold the meeting is made. Notice to members, newspapers of general circulation, and radio or television stations must be received at least 48 hours in advance of the meeting. Notice to newspapers, radio and television stations is satisfied by providing
notice to all national press wire services. Notices to the general public may be given via appropriate electronic bulletin boards or other appropriate mechanisms. (§11125.4(b)) The notice must also be posted on the Internet at least 48 hours in advance of the meeting.

The notice must specify the time and place of the special meeting and the business to be transacted. In essence, an agenda would be prepared. No business other than that noticed may be transacted. Notice is required even if no action is subsequently taken at the meeting. (§11125.4(b)) The notice must contain the Website address where the notice may be accessed on the Internet.

[CAVEAT: If the special meeting will have a closed session agenda item or items, or be held by teleconference, please refer to the discussion of additional requirements under those headings, below.]

4. Specific Requirements During Special Meetings

At the commencement of a special meeting, the agency must make a finding in open session that providing a 10-day notice of the meeting would pose a substantial hardship on the agency, or that immediate action is required to protect the public interest. The specific facts constituting the hardship or need for immediate action must be articulated. This finding must be adopted by a two-thirds (2/3) vote of the agency members present, or if less than two thirds of the members are present, by a unanimous vote of the members present. Failure to adopt the finding terminates the meeting. The agency’s finding must be made available on the Internet. (§11125.4(c))

5. Specific Prohibitions on Holding a Special Meeting

As discussed above, a special meeting may only be held for the purposes set forth in section 11125.4(b). Other than the limitation on the purposes of the meeting, there are no statutory prohibitions in the Open Meeting Act on a board, committee, subcommittee or task force conducting a special meeting.

C. “Emergency” Meetings

1. Who May Hold an Emergency Meeting

A board, committee, subcommittee or task force may hold an emergency meeting.

2. Purposes for Which an Emergency Meeting May be Held

As noted above, S.B. 95 of 1997 recharacterized a number of “emergency” situations as “special” situations. This resulted in the narrowing of situations for which an emergency meeting may be held. Section 11125.5 provides an emergency meeting may be held only in the case of an “emergency situation,” defined as:

“(1) Work stoppage or other activity that severely impairs public health or safety, or both.
“(2) Crippling disaster that severely impairs public health or safety, or both.” (§11125.5(b))

3. Notice Requirements for an Emergency Meeting

An emergency meeting may be held without complying with the 10-day notice requirement in Section 11125 or the 48-hour notice requirement in Section 11125.4. However, newspapers of general circulation, television and radio stations that have requested notice of meetings shall be notified of the emergency by telephone at least one hour before the meeting. If telephone services are not functioning, notice is deemed waived. The notice must be posted on the Internet as soon as practicable after the decision to call an emergency meeting has been made. However, newspapers, television and radio must be notified as soon as possible after the meeting of the fact of the meeting, its purpose, and any action taken. (§11125.5(c))

4. Specific Requirements for an Emergency Meeting

The following are required to be posted in a public place and on the Internet for a minimum of 10 days, as soon as possible after the emergency meeting:

* Minutes of the meeting
* A list of persons notified, or attempted to be notified, of the meeting
* Any action taken at the meeting
* A copy of the rollcall vote on action taken (§11125.5(d))

5. Specific Prohibitions on Holding an Emergency Meeting

As discussed above, an emergency meeting may only be held for the purposes set forth in section 11125.5(b).

IV. CLOSED SESSIONS

A. Purposes for Which Closed Session Can be Held

"Closed" sessions were formerly called "executive" sessions. Since all references in the Open Meeting Act have been changed from "executive" session to "closed" session, throughout this memorandum we will refer to such sessions as "closed" sessions.

Section 11123 states that "All meetings of a state body shall be open and public and all persons shall be permitted to attend any meeting of a state body except as otherwise provided in this article."

Section 11126 sets forth those specific items of business which may be transacted in closed session. Only those enumerated items of business may be conducted in closed session. An agency in the Department may convene a closed session pursuant to Section 11126 for the following purposes:
1. Personnel Matters

A board may meet in closed session to "... consider the appointment, employment, evaluation of performance, or dismissal of a public employee or to hear complaints or charges brought against such employee by another person unless the employee requests a public hearing." In order to consider such disciplinary action or dismissal the "employee shall be given written notice of his or her right to have a public hearing ... which notice shall be delivered to the employee personally or by mail at least 24 hours before the meeting." (§11126(a)) If such a notice is not given any action taken during a closed session for the above reason is null and void. Once the public hearing has been held, the agency may convene into closed session to deliberate on the decision to be reached. (§11126(a)(4))

Prior to January 1, 1995, section 11126(a) did not apply to employees who were appointed to their positions, such as executive officers, executive directors, and registrars (referred to as “executive officer” for convenience). For example, any decision or deliberations made in the selection or dismissal of an executive officer previously had to be conducted in open session. (68 Ops.Cal.Atty.Gen. 34.) However, with the enactment of SB 1316 (Stats. 1994, Chapt. 845) and SB 95 (Stats. 1997, Chapt. 949), a board can now meet in closed session to consider the appointment, employment, evaluation of, or dismissal of its executive officer, unless the executive officer requests a public hearing. (§11126(a)(1), (2)) SB 1316 supersedes the conclusion reached in 68 Ops.Cal.Atty.Gen. 34. As noted above, once the public hearing has been held, the state body may convene in closed session to deliberate on the decision to be reached. (§11126(a)(4))

If the executive officer does not request a public hearing, he or she must be given the opportunity for a hearing in closed session. After the hearing, the executive officer should be excused from the closed session, and the board may then continue in closed session to deliberate on the decision to be reached. (§11126(a)(4))

Section 11126(a) is not to be interpreted to mean that a board is required to handle civil service personnel matters itself. Normally, this function of an agency is administered by its executive officer in conjunction with the Director of Consumer Affairs, who shares authority with respect to civil service personnel.

2. Examination Matters

A board may meet in closed session to "prepare, approve, grade or administer examinations." (§11126(c)(1)) Essentially, this includes any discussion regarding the actual content of examinations, and their reliability and validity. If an agency is perusing examination samples in order to choose one over the others, this may be done in closed session. On the other hand, if an agency is discussing, for example, the general logistics of administering an examination, then this would not be proper subject matter for a closed session. A basic rule is that if a meeting concerns the grading, specific content, validity of an examination, or examination security, then it can and should be conducted in closed session.

Also, an agency may hear appeals from examinees or re-review examinations in closed session as this would be included in the "grading" of the examination.
3. Matters Affecting Individual Privacy

A committee, consisting of less than a quorum of the full board, may meet in closed session to:

". . . discuss matters which the [committee] has found would constitute an unwarranted invasion of the privacy of an individual licensee or applicant if discussed in an open meeting, . . . Those matters may include review of an applicant's qualifications for licensure and an inquiry specifically related to the state body's enforcement program concerning an individual licensee or applicant where the inquiry occurs prior to the filing of a civil, criminal, or administrative disciplinary action against the licensee or applicant by the state body." (§11126(c)(2))

Thus, review by a committee (or subcommittee of an examining committee) of an applicant's qualifications for licensure could properly be done in a closed session. Also, for example, an enforcement committee could convene in closed session to discuss an inquiry related to a particular licensee or licensees prior to any action being filed.

CAVEAT: This closed session provision does not authorize such a review by the full board. Nor does it generally authorize a committee of a board to review complaints, investigation reports, or other information to determine whether disciplinary or other action should be filed against a licensee.

To ensure that board members render an impartial and fair decision in considering an Administrative Law Judge's proposed decision, board members are precluded from involving themselves in the investigation or prosecution phase of an action. (§11430.10 et seq.) The board's role is that of judge in the case. If a particular board member has any significant involvement in the investigative or prosecution phases, he or she must disqualify himself/herself from participation in the board's action relative to the proposed decision, and not attempt to influence any other board member regarding the decision. Legal counsel should be consulted before any enforcement actions are discussed with individual licensees, as such discussions may impact participation by the member in a final decision on a case (§11430.60), and may require disclosures under the provisions of the state's Administrative Procedure Act. (§11430.50)

Even though these committee meetings may consist entirely of subject matter proper for closed session they are required to be noticed as discussed above.

4. Administrative Disciplinary Matters

A board may meet in closed session to deliberate on a decision in an administrative disciplinary proceeding under the Administrative Procedure Act. (§11400, et seq.; §11126(c)(3)) In the closed session, the board may decide whether to adopt a Proposed Decision, review a transcript of a hearing and render a decision of its own, deliberate upon evidence heard by the agency itself, or consider a stipulation.
This section does not authorize an agency to convene into closed session for the purpose of assigning cases, i.e. deciding whether a case should be heard by a hearing officer alone or by the agency itself with a hearing officer. This section does not authorize an agency to convene into closed session to review investigation files or complaints. Members of boards that have the discretion to hear cases should not review pending complaints or investigation files for the reasons given above.

5. Board of Accountancy Matters

The enforcement advisory committee established by the State Board of Accountancy pursuant to Business and Professions Code Section 5020 may convene in a closed session to "consider disciplinary action against an individual accountant prior to the filing of an accusation." (§11126(f)(3)) And the qualifications examining committee established by that board pursuant to Business and Professions Code Section 5023 may convene in closed session to "interview an individual applicant or accountant regarding the applicant's qualifications."

As noted above, such administrative and examining committee meetings are required to be noticed as previously discussed in this memorandum.

6. Pending Litigation

A board may meet in closed session to confer with or receive advice from its legal counsel regarding pending litigation when discussion in open session concerning those matters would prejudice the position of the state body in the litigation. (§11126(e)(1)) Again, please note the very specific notice requirements discussed below when a closed session is to be held to discuss "pending litigation". Litigation means an adjudicatory proceeding before a court, administrative body, hearing officer or arbitrator. Litigation is considered to be pending if, (1) it has been initiated formally (e.g. a complaint, claim or petition has been filed) or (2) based on existing facts and circumstances and on the advice of its legal counsel, the state body believes there is significant exposure to litigation against it, or it is meeting to decide whether a closed session is authorized because of significant exposure to litigation or (3) based on existing facts and circumstances, the state body has decided or is deciding whether to initiate litigation. (§11126(e)(2))

The agency's legal counsel must submit a memorandum which complies with the requirements of Section 11126(e)(2)(C)(ii) prior to the closed session if possible, but no later than one week after the closed session. This document is confidential until the pending litigation has been finally adjudicated or otherwise settled. (§6254.25)

7. Response to Confidential Final Draft Audit Report

Section 11126.2 (added effective January 1, 2005) permits an agency to meet in closed session to discuss its response to a confidential final draft audit report from the Bureau of State Audits. However, once that audit report becomes final and is released to the public, the agency may only discuss it in open session.
8. Threat of Criminal or Terrorist Activity

Effective January 1, 2006, AB 277 (Chap. 288, Stats. 2005) authorizes an agency at a regular or special meeting to meet in closed session to consider “matters posing a threat or potential threat of criminal or terrorist activity against the personnel, property, buildings, facilities, or equipment, including electronic data, owned, leased, or controlled by the state body," where disclosure of those considerations could compromise or impede the safety or security of the described subjects. The law (Section 11126(c)(18)) requires the agency to authorize the closed session by a two-thirds vote of the members present at the meeting.

9. Advisory Bodies/Committees May Meet in Closed Session

To the extent a licensing board, which is defined as a “state body” in the Open Meeting Act, is authorized to meet in closed session, then committees, subcommittees, or other bodies advisory to the licensing board, which are also defined as “state bodies,” may meet in closed session for the same purposes as the licensing board. (§11126((f), (4)-(6))

10. Open Session Otherwise Required

Any other business transacted by an agency must be in open session. Only for the above-mentioned reasons may a board within the Department of Consumer Affairs meet in closed session. (§11132) A board may not meet in closed session for the purpose of electing officers or to discuss the proposal or adoption of rules and regulations. Further, a board may not convene in closed session to discuss testimony received during a hearing on proposed rules and regulations. Finally, an agency may not meet in closed session because it wants to have a frank and open discussion among only members on a matter of controversy. In order for an agency to meet in closed session, the closed session must be specifically authorized by statute.

B. Notice and Reporting Requirements for Closed Sessions

1. Notice of Closed Session

When a closed session will constitute part or all of a meeting, it is important to note Government Code Section 11126.3, which requires that:

"(a) Prior to holding any closed session, the state body shall disclose, in an open meeting, the general nature of the item or items to be discussed in the closed session. The disclosure may take the form of a reference to the item or items as they are listed by number or letter on the agenda. [A provision applicable to the Public Utilities Commission is not included herein.] If the session is closed pursuant to subparagraph (A) of paragraph (2) of subdivision (e) of Section 11126 [litigation has already commenced], the state body shall state the title of, or otherwise specifically identify, the litigation to be discussed unless the body states that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage."
Thus, if the meeting will consist in part or in its entirety of a closed session, you must include on the notice of the meeting the above-described information. Pay particular attention to these very specific requirements if the closed session is to discuss pending litigation. Please note that to obtain legal advice in closed session concerning pending litigation, the notice must cite subdivision (e) of Section 11126 and your attorney must prepare a memorandum stating the specific reasons and legal authority for the closed session. Subdivisions of Government Code Section 11126, discussed under "Closed Sessions" above, will generally be the statutory authority cited.

If a closed session agenda to discuss pending litigation has been properly published, and an additional pending litigation issue subsequently arises, the state agency may discuss the new matter in closed session provided that postponement of the discussion would prevent the state agency from complying with any statutory, court-ordered, or other legally-imposed deadline. The state agency must publicly announce the title of, or otherwise identify, the litigation unless to do so would jeopardize the ability to effectuate service of process, or to do so would jeopardize the agency’s ability to conclude existing settlement negotiations to its advantage. (§11126.3(d))

If you intend to have a closed session during your meeting, you should first contact your Legal Division attorney to ensure that a closed session is authorized and properly noticed.

2. Reporting After a Closed Session

Section 11126.3(f), requires a state body to convene in open session after a closed session and to report as required in Section 1125.2, which states that:

“Any state body shall report publicly at a subsequent public meeting any action taken, and any rolcall vote thereon, to appoint, employ, or dismiss a public employee arising out of any closed session of the state body.”

C. Other Procedural Requirements for Closed Sessions

There are certain additional requirements that must be met when closed sessions are to be held.

1. All closed sessions must be held during a regular or special meeting (§11128); they may not be scheduled independently of a noticed meeting of the board or committee. Where, for example, a board or committee meeting is scheduled to discuss only matters appropriate for a closed session, the meeting should be opened as a public meeting with an announcement immediately following that the agency will convene into closed session.

2. As discussed under "Notice Required," above, prior to holding the closed session the agency must announce the general reason(s) for the closed session and the specific statutory or other legal authority under which the session is held. (§11126.3 (a)) With respect to litigation that has already been initiated, it must announce the title of or otherwise identify the litigation. (§11126.3(a)) Other specific notice requirements, discussed above,
also apply to notices regarding pending litigation. In the closed session, only matters covered in the statement may be discussed. (§11126.3(b))

3. The agency is required to designate a staff person to attend the closed session and to record in a minute book a record of topics discussed and decisions made. (§11126.1)

4. The minute book referenced in (3) is available only to members of the agency, or if a violation of the Open Meeting Act is alleged, to a court of general jurisdiction. (§11126.1)

5. Information received and discussions held in closed session are confidential and must not be disclosed to outside parties by members or staff who attended the closed session. A recent opinion of the Office of the California Attorney General concluded that:

   “A local school board member may not publicly disclose information that has been received and discussed in closed session concerning pending litigation unless the information is authorized by law to be disclosed.” (80 Ops.Cal. Atty.Gen. 231)

That opinion also cited a previous opinion, in which the Attorney General stated that “We have ... routinely observed that it would be improper for information received during a closed session to be publicly disclosed.” (76 Ops.Cal. Atty.Gen. 289, 290-291; Emphasis in the original.)

V. MEETING BY TELECONFERENCING

Prior to January 1, 1995, the Bagley-Keene Open Meeting Act contained no provision for conducting meetings where the participating members were not physically present in one location.

Effective 1/1/95, subdivision (b) was added to Government Code section 11123 to authorize meetings by teleconference. (Stats. 1994, Chapt. 1153; AB 3467) That subdivision has been amended several times, most recently by AB 192 of 2001, and it currently provides:

"(a) All meetings of a state body shall be open and public and all persons shall be permitted to attend any meeting of a state body except as otherwise provided in this article.

"(b) (1) This article does not prohibit a state body from holding an open or closed meeting by teleconference for the benefit of the public and state body. The meeting or proceeding held by teleconference shall otherwise comply with all applicable requirements or laws relating to a specific type of meeting or proceeding, including the following:

(A) The teleconferencing meeting shall comply with all requirements of this article applicable to other meetings.
(B) The portion of the teleconferenced meeting that is required to be open to the public shall be audible to the public at the location specified in the notice of the meeting.

(C) If the state body elects to conduct a meeting or proceeding by teleconference, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the rights of any party or member of the public appearing before the state body. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. The agenda shall provide an opportunity for members of the public to address the state body directly pursuant to Section 11125.7 at each teleconference location.

(D) All votes taken during a teleconferenced meeting shall be by rollcall.

(E) The portion of the teleconferenced meeting that is closed to the public may not include the consideration of any agenda item being heard pursuant to Section 11125.5.

(F) At least one member of the state body shall be physically present at the location specified in the notice of the meeting.

(2) For the purposes of this subdivision, 'teleconference' means a meeting of a state body, the members of which are at different locations, connected by electronic means, through either audio or both audio and video. This section does not prohibit a state body from providing members of the public with additional locations in which the public may observe or address the state body by electronic means, through either audio or both audio and video."

A method is thus available whereby meetings may be conducted by audio or video teleconferencing provided the criteria set forth in the statute have been met. Note the restriction in subdivision (b)(1)(E) that prohibits a closed session emergency meeting. Emergency meetings in open session may be conducted by teleconference.

Effective January 1, 2015, subdivision (c) was added to Government Code section 11123 to require that any action taken and the vote or abstention on that action of each member present for the action be publicly reported by the state body. (Stats. 2014, Chapt.510; AB 2720)

We emphasize that the law now requires every teleconference meeting location to be identified in the notice and agenda and to be open to the public. Most importantly, the members of the agency must attend the meeting at a public location. Members are no longer able to attend the meeting via teleconference from their offices, homes, or other convenient location unless those locations are identified in the notice and agenda, and the public is permitted to attend at those locations. Nothing prohibits additional locations, where only the public is connected to the teleconference meeting. (§11123(b)(2))
VI. DELIBERATIONS AND VOTING

Keep in mind the Open Meeting Act declaration of legislative intent that actions of state agencies be taken openly and that their deliberation be conducted openly. (§11120) In this regard, there are a number of provisions in the Open Meeting Act which address deliberations and voting.

A. Seriatim Calls to Individual Agency Members Prohibited

Except as authorized by the above-discussed teleconferencing statutes, telephone conference calls may not be used to avoid the requirements of the Open Meeting Act. A conference call including members of a board, committee, subcommittee or task force sufficient to constitute a majority of that state body is prohibited, except pursuant to an authorized teleconference meeting.

In a case involving the Ralph M. Brown Act, the court concluded that a series of one-to-one telephone calls between members of a local body, where the purpose of the calls was to obtain a collective commitment on an issue, constituted a violation of the Act. (Stockton Newspapers, Inc. v. Members of the Redevelopment Agency of the City of Stockton (1985) 171 Cal.App.3d 95) The Brown Act is the local agency counterpart to the Bagley-Keene Open Meeting Act, and decisions rendered on its provisions are frequently followed in Open Meeting Act cases.

Citing the Stockton Newspapers, Inc. case, the court in Sutter Bay Associates v. County of Sutter held that to prevent evasion of the Brown Act, a series of private meetings (known as serial meetings) by which a majority of the members of the legislative body commit themselves to a decision concerning public business or engage in collective deliberation on public business would violate the open meeting requirement. ((1997) 58 Cal.App.4th 860, 877, 68 Cal.Rptr.2d 492, 502)

Effective January 1, 2010, the Act now specifically prohibits serial communications between a majority of members “to discuss, deliberate, or take action on any item of business that is within the subject matter of the state agency.” (Emphasis added.) (§11122.5(b))

B. E-Mail Prohibition

Section 11122.5 was amended by Stats. 2009, c. 150 (A.B. 1494) to provide:

(b)(1) A majority of the members of the state body shall not, outside of a meeting authorized by this chapter, use a series of communications of any kind, directly or through intermediaries to discuss, deliberate, or take action on any item of business that is within the subject matter of the state body.

(2) Paragraph (1) shall not be construed to prevent an employee or official of a state agency from engaging in separate conversations or communications outside of a meeting authorized by this chapter with members of a legislative body in order to answer questions or provide information regarding a matter that is within the subject matter jurisdiction of the state.
agency, if that person does not communicate to members of the legislative body the comments or position or any other member or members of the legislative body.

The enactment of subdivision (b) of section 11122.5, expands upon and confirms a recent opinion of the Attorney General prohibiting the use of e-mail to reach a collective decision outside a regularly scheduled meeting. In 84 Ops.Cal.Atty.Gen. 30, the Attorney General concluded that:

"A majority of the board members of a local public agency may not e-mail each other to develop a collective concurrence as to action to be taken by the board without violating the Ralph M. Brown Act even if the e-mails are also sent to the secretary and chairperson of the agency, the e-mails are posted on the agency’s Internet website, and a printed version of each e-mail is reported at the next public meeting of the board."

As noted above, interpretations of the Brown Act, which governs local public agencies, are often cited as authority in interpreting similar provisions of the Bagley-Keene Open Meeting Act.

Members of a board must refrain from calling or otherwise contacting other members on a one-to-one basis, or conducting serial meetings, in order to discuss, deliberate, or take action outside the meeting on a matter within the subject matter of the board.

**C. Secret Ballot Prohibited**

An agency may not vote by secret ballot in a public meeting nor vote in closed session on any matter where discussion, deliberations, or action taken is required to be in an open meeting. (68 Ops.Cal.Atty.Gen. 65, 69)

For example, the election of board officers may not be conducted by secret ballot or in closed session.

**D. Voting by Proxy Prohibited**

Voting by proxy is not authorized. (68 Ops.Cal.Atty.Gen. 65, 70)

**E. Use of Electronic Devices During Meeting**

Board members should not text or email each other during an open meeting on any matter within the board’s jurisdiction. Using electronic devices to communicate secretly on such a matter would violate the law. Where laptops are used by board members at the meeting because the board provides board materials electronically, the board president should make an announcement at the beginning of the meeting as to the reason for the laptops. We suggest the following (or something similar):

“You may notice board members accessing their laptops during the meeting. They are using the laptops solely to access the board meeting materials which are in electronic format.”
F. Voting by Mail on Administrative Disciplinary Matters

As a general rule, all voting on items of business to be transacted must be done at a public meeting. However, the Administrative Procedure Act authorizes mail voting on all questions arising under that act. (Govt. Code §11526.) Thus, board members may vote by mail on proposed decisions, stipulated decisions, and other matters in connection with a formal disciplinary case. No other votes may be cast by mail. (68 Ops.Cal.Atty.Gen. 65, 69)

G. Recording and Reporting Votes

Beginning January 1, 2015, for each item on which a vote is taken, the minutes must contain a record of how each member voted on that action item. (For example, Yes – Members A, B, & C; No – Members D & E; Abstain – Member F.)

VII. MISCELLANEOUS PROVISIONS

There are several provisions governing public meetings which do not fit under any of the above headings, but of which you should be aware.

A. Conforming Board Member’s Conduct

Any person who has been appointed as a member of a state body, who has not yet assumed the duties of the office, must conform his or her conduct to the provisions of the Open Meeting Act. (§11125.95

B. Providing Open Meeting Act to New Board Members

A copy of the Bagley-Keene Open Meeting Act must be provided to each agency member upon his or her appointment to office. Each agency should insure that a copy is given to each new member. (§11121.9.)

C. Prohibition on Placing Conditions on Public’s Attendance

1. Sign-in

No person can be required to register or sign-in or fulfill any other condition in order to attend a public meeting of an agency. While a person who wishes to make public comment may be asked to identify himself or herself for the board’s record or minutes, a commenter cannot be compelled to do so or prevented from speaking because the commenter refuses to identify himself or herself.

If an attendance list, register, questionnaire, or other similar document is posted at or near the entrance to the room where the meeting is to be held, or is circulated to persons present during the meeting, “it shall state clearly that the signing, registering, or completion of the document is voluntary, and that all persons may attend the meeting regardless of whether a person signs, registers, or completes the document.” (§11124)
2. Discrimination in Admittance to Meeting Facility

A meeting may not be held in any facility that prohibits the admittance of any persons on the basis of race, religious creed, color, national origin, ancestry, or sex. (§11131)

3. Access for the Disabled

All meetings must be accessible to the disabled. (§11131)

4. Charging a Fee or Requiring a Purchase for Access

The Open Meeting Act prohibits holding a meeting in any location where the public is required to pay a fee or make a purchase to attend. (§11131)

D. Agency Recording of the Proceedings

A tape or film record of an open and public meeting made by the agency must be made available for public inspection under the California Public Records Act, but may be erased or destroyed 30 days after the taping or recording. An inspection must be provided without charge on an audio or video tape player made available by the state agency. (§11124.1(b))

E. Public's Right to Record the Proceedings

Persons attending a public meeting have a right to record the proceedings with an audio or video tape recorder or still or motion picture camera, in the absence of a reasonable finding by the agency that the recording could not continue without noise, illumination, or obstruction of view that constitutes, or would constitute a persistent disruption of the proceedings. (§11124.1(a))

F. Media Broadcast of the Proceedings

A state body may not prohibit or otherwise restrict the broadcast of a public meeting in the absence of a reasonable finding that the broadcast cannot be accomplished without noise, illumination, or obstruction of view that would constitute a persistent disruption of the proceedings. (§11124.1(c))

G. Webcasting

Whether or not webcasting is required, if your meeting is webcast, it is our recommendation that you place the following statement on your agenda:

“While the board intends to webcast this meeting, it may not be possible to webcast the entire open meeting due to limitations on resources.”
H. Taking Agenda Items Out of Order

Items listed on the agenda may be taken up out of order, provided the purpose of moving the agenda items is not to frustrate public or other input on the item. It is a good practice to note on either the top or the bottom of your agenda that “All times indicated and the order of business are approximate and subject to change,” to alert members of the public this is a possibility.

If your agency schedules a multiple day meeting and may move items scheduled for a subsequent day to an earlier day, you should provide notice of this possibility on your agenda. Suggested language is that “Items scheduled for a particular day may be moved to an earlier day to facilitate the board’s business.” Again, the purpose may not be to frustrate public or other input.

I. Opportunity for Public Comment at Meetings

Section 11125.7 addresses the subject of public comment at board meetings. With specified exceptions, that section requires state agencies to provide an opportunity for members of the public to directly address the state agency on each agenda item before or during the agency’s discussion or consideration of the item. This opportunity for comment need not be made available if:

1. The agenda item has previously been considered at a public meeting by a committee comprised exclusively of board members, where members of the public were provided an opportunity to address the item. However, if the item has been substantially changed since the committee meeting, a new opportunity to address the agency would be required at the full board meeting.

2. The agenda item is one that may properly be considered in closed session, which would include deliberation and action on disciplinary proceedings under the Administrative Procedure Act. (§11125.7)

If a board wishes to establish a standing rule that discussion of agenda items will be given a specified amount of time, or that public comment will be limited to a certain amount of time, the board may do that by adopting an administrative regulation. (§11125.7(b))

Section 11125.7 was amended, effective June 27, 2016 to provide an equal time provision when the state body limits the time for public comment, by requiring the state body to provide at least twice the allotted time to a member of the public who uses a translator. This amendment is to ensure that non-English speakers receive an equal opportunity to address the state body when simultaneous translation equipment is not used. (Stats of 2016 chapt. 31 SB 836)

The law specifically provides that a state agency may not prohibit public criticism of its policies, programs, or services, or of the acts or omissions of the agency. (§11125.7(c))
VIII. DISCLOSURE OF DOCUMENTS

A. Documents Distributed Prior to the Meeting

When writings which are public records are distributed to all, or a majority of all, of the members of a board or committee for discussion or consideration at a public meeting, the writings must be made available for public inspection. Generally, the records must be made available for inspection at the time of distribution to agency members. (§11125.1(a)) Records exempt from disclosure under Sections 6253.5, 6254 or 6254.7 of the Public Records Act need not be disclosed even though the subject matter of the records may be considered or discussed at the meeting. This includes records which are drafts, notes or memoranda which will not be retained by the agency, attorney-client privileged communications, records of pending litigation and claims against the state, personnel, medical or similar files, complaint and investigation files, except for Accusations and Proposed Decisions, and any records or data relating to examinations.

B. Documents Distributed During the Meeting

When public records pertaining to an agenda item are prepared by the state body or a member of the state body, and distributed to state body members during a meeting, the documents must be made available for public inspection at the meeting. If records are prepared by some other person, and distributed to members of the state body during a meeting, the documents must be made available for public inspection after the meeting. (§11125.1(b)) Records exempt from public disclosure under specified statutes are not required to be publicly disclosed. (§11125.1(a), (b))

C. Charging a Fee for Public Documents

Under section 11126.7, an agency may not charge a fee for a notice, including the agenda, of a meeting, and may only charge those fees specifically authorized for public documents that are considered at the meeting.

At its discretion, an agency may charge a fee to cover reproduction costs for providing the documents required to be made available, as discussed in paragraph (B), immediately above. If an agency charges a fee, it is limited to the direct costs of duplication authorized in Section 6257 for the reproduction of public records. (§11125.1(c))

Effective January 1, 2003, documents distributed prior to or during a meeting that are public records must be made available, upon request by a person with a disability, in appropriate alternative formats. No extra charge can be imposed for putting those documents into an alternative format.

IX. PENALTIES

Under previous law, any interested person could commence court action (mandamus, injunction, declaratory relief) to stop or prevent violations or threatened violations of the Open
Meeting Act. SB 95, effective 1/1/98, added the Attorney General and the district attorney to the list of those who may commence such action. Court costs and reasonable attorney's fees may be awarded to a successful plaintiff to be paid from the funds of the agency. (§11130.5)

SB 95 also expanded the law to authorize the Attorney General, a district attorney, or any interested person to seek court action “to determine whether any rule or action by the state body to penalize or otherwise discourage the expression of one or more of its members is valid or invalid under the laws of this state or of the United States, ...” (§11130(a)) This appears to be a rather unique provision, and its implications are unknown at this time.

SB 95 further expanded the law to authorize the Attorney General, a district attorney, or any interested person to seek a court action to compel a state agency to tape record its closed sessions. Upon a judgment of a violation of Section 11126, a court could so compel an agency. Discovery procedures for the tape recordings are also set forth. (§11130(b), and (c))

Section 11130.3 authorizes a person to institute a court action to obtain a judicial determination that an action taken in violation of the notice provisions or the provisions governing closed sessions of the Act is null and void. Court costs and reasonable attorney's fees may also be awarded to a successful plaintiff under this section. This section reinforces the need for a specific, informative agenda as required by Section 11125.

These remedies extend to past actions of an agency. The statute of limitations for bringing an action is 90 days. (§§11130(c) and 11130.3(a)).

Section 11130.7 of the Act provides:

"Each member of a state body who attends a meeting of such body in violation of any provision of this article, and where the member intends to deprive the public of information to which the member knows or has reason to know the public is entitled, is guilty of a misdemeanor." (Emphasis added.)
11120. Public policy; legislative finding and declaration; citation of article

It is the public policy of this state that public agencies exist to aid in the conduct of the people's business and the proceedings of public agencies be conducted openly so that the public may remain informed.

In enacting this article the Legislature finds and declares that it is the intent of the law that actions of state agencies be taken openly and that their deliberation be conducted openly.

The people of this state do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.

This article shall be known and may be cited as the Bagley-Keene Open Meeting Act.

11121. State body defined

As used in this article, "state body" means each of the following:

(a) Every state board, or commission, or similar multimember body of the state that is created by statute or required by law to conduct official meetings and every commission created by executive order.

(b) A board, commission, committee, or similar multimember body that exercises any authority of a state body delegated to it by that state body.

(c) An advisory board, advisory commission, advisory committee, advisory subcommittee, or similar multimember advisory body of a state body, if created by formal action of the state body or of any member of the state body, and if the advisory body so created consists of three or more persons.

(d) A board, commission, committee, or similar multimember body on which a member of a body that is a state body pursuant to this section serves in his or her official capacity as a representative of that state body and that is supported, in whole or in part, by funds provided by the state body, whether the multimember body is organized and operated by the state body or by a private corporation.

(e) Notwithstanding subdivision (a) of Section 11121.1, the State Bar of California, as described in Section 6001 of the Business and Professions Code. This subdivision shall become operative on April 1, 2016.

operative July 1, 1997; Stats.2001, c. 243 (A.B.192), § 1; Amended Stats. 2003 ch 62 § 117 (SB 600), Stats. 2015, c. 537 (S.B. 387), § 22, eff. January 1, 2016.)

11121.1. State body; exclusions

As used in this article, "state body" does not include any of the following:

(a) Except as provided in subdivision (e) of Section 11121, state agencies provided for in Article VI of the California Constitution.

(b) Districts or other local agencies whose meetings are required to be open to the public pursuant to the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5).

(c) State agencies provided for in Article IV of the California Constitution whose meetings are required to be open to the public pursuant to the Grunsky-Burton Open Meeting Act (Article 2.2 (commencing with Section 9027) of Chapter 1.5 of Part 1 of Division 2 of Title 2).

(d) State agencies when they are conducting proceedings pursuant to Section 3596.

(e) State agencies provided for in Section 109260 of the Health and Safety Code, except as provided in Section 109390 of the Health and Safety Code.

11121.2. Repealed by Stats. 2001, c. 243 (A.B.192), § 3

The repealed section, added by Stats.1981, c. 968, p. 3684, § 5.2, provided the additional definition of “state body” as a multimember body with authority of state body.

§ 11121.5. Repealed by Stats.1984, c. 1158, § 3

The repealed section, added by Stats.1994, c. 1179, § 1, amended by Stats.1981, c. 968, § 5.3; Stats.1983, c. 143, § 186, Stats.1983, c. 101, § 60, related to the treatment of state college and university student body organizations as state agencies. Similar provisions were added at Education Code § 89920 et. seq.

11121.7. Repealed by Stats. 2001, c. 243 (A.B.192), § 4

The repealed section, added by

11121.95. Appointees or elected officials not yet in office; conformity of conduct to article requirements

(Added by Stats.1997, c. 949 (S.B.95), § 1.)

11122. Action taken

As used in this article "action taken" means a collective decision made by the members of a state body, a collective commitment or promise by the members of the state body to make a positive or negative decision or an actual vote by the members of a state body when sitting as a body or entity upon a motion, proposal, resolution, order or similar action.

11122.5. Meeting defined; series of communications to discuss, deliberate, or take action prohibited; exceptions

(a) As used in this article, “meeting” includes any congregation of a majority of the members of a state body at the same time and place to hear, discuss, or deliberate upon any item that is within the subject matter jurisdiction of the state body to which it pertains.

(b)(1) A majority of the members of a state body shall not, outside of a meeting authorized by this chapter, use a series of communications of any kind, directly or through intermediaries, to discuss, deliberate, or take action on any item of business that is within the subject matter of the state body.

(2) Paragraph (1) shall not be construed to prevent an employee or official of a state agency from engaging in separate conversations or communications outside of a meeting authorized by this chapter with members of a legislative body in order to answer questions or provide information regarding a matter that is within the subject matter jurisdiction of the state agency, if that person does not communicate to members of the legislative body the comments or position of any other member or members of the legislative body.
(c) The prohibitions of this article do not apply to any of the following:

(1) Individual contacts or conversations between a member of a state body and any other person that do not violate subdivision (b).

(2) (A) The attendance of a majority of the members of a state body at a conference or similar gathering open to the public that involves a discussion of issues of general interest to the public or to public agencies of the type represented by the state body, if a majority of the members do not discuss among themselves, other than as part of the scheduled program, business of a specific nature that is within the subject matter jurisdiction of the state body.

(B) Subparagraph (A) does not allow members of the public free admission to a conference or similar gathering at which the organizers have required other participants or registrants to pay fees or charges as a condition of attendance.

(3) The attendance of a majority of the members of a state body at an open and publicized meeting organized to address a topic of state concern by a person or organization other than the state body, if a majority of the members do not discuss among themselves, other than as part of the scheduled program, business of a specific nature that is within the subject matter jurisdiction of the state body.

(4) The attendance of a majority of the members of a state body at an open and noticed meeting of another state body or of a legislative body of a local agency as defined by Section 54951, if a majority of the members do not discuss among themselves, other than as part of the scheduled meeting, business of a specific nature that is within the subject matter jurisdiction of the other state body.

(5) The attendance of a majority of the members of a state body at a purely social or ceremonial occasion, if a majority of the members do not discuss among themselves business of a specific nature that is within the subject matter jurisdiction of the state body.

(6) The attendance of a majority of the members of a state body at an open and noticed meeting of a standing committee of that body, if the members of the state body who are not members of the standing committee attend only as observers.

Amended by Stats.2009, c. 150 (A.B.1494), § 1.)

11123. Meetings; attendance; teleconference option

(a) All meetings of a state body shall be open and public and all persons shall be permitted to attend any meeting of a state body except as otherwise provided in this article.

(b)(1) This article does not prohibit a state body from holding an open or closed meeting by teleconference for the benefit of the public and state body. The meeting or proceeding held by teleconference shall

(CALIFORNIA GOVERNMENT CODE)

otherwise comply with all applicable requirements or laws relating to a specific type of meeting or proceeding, including the following:

(A) The teleconferencing meeting shall comply with all requirements of this article applicable to other meetings.

(B) The portion of the teleconferenced meeting that is required to be open to the public shall be audible to the public at the location specified in the notice of the meeting.

(C) If the state body elects to conduct a meeting or proceeding by teleconference, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the rights of any party or member of the public appearing before the state body. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. The agenda shall provide an opportunity for members of the public to address the state body directly pursuant to Section 11125.7 at each teleconference location.

(D) All votes taken during a teleconferenced meeting shall be by rollcall.

(E) The portion of the teleconferenced meeting that is closed to the public may not include the consideration of any agenda item being heard pursuant to Section 11125.5.

(F) At least one member of the state body shall be physically present at the location specified in the notice of the meeting.

(2) For the purposes of this subdivision, "teleconference" means a meeting of a state body, the members of which are at different locations, connected by electronic means, through either audio or both audio and video. This section does not prohibit a state body from providing members of the public with additional locations in which the public may observe or address the state body by electronic means, through either audio or both audio and video.

(c) The state body shall publicly report any action taken and the vote or abstention on that action of each member present for the action.

11123.1. State body meetings to meet protections and prohibitions of the Americans with Disabilities Act

All meetings of a state body that are open and public shall meet the protections and prohibitions contained in Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof.

(Added by Stats. 2002, c. 300 (A.B. 3035), § 1.)

(CALIFORNIA GOVERNMENT CODE)

11124. Conditions to attendance

No person shall be required, as a condition to attendance at a meeting of a state body, to register his or her name, to provide other information, to complete a questionnaire, or otherwise to fulfill any condition precedent to his or her attendance.

(d) A person may request, and shall be provided, notice pursuant to subdivision (a) for all meetings of a state body or for a specific meeting or meetings. In addition, at the state body's discretion, a person may request, and may be provided, notice of only those meetings of a state body at which a particular subject or subjects specified in the request will be discussed.

(e) A request for notice of more than one meeting of a state body shall be subject to the provisions of Section 14911.

However, this section shall not include any writing exempt from public disclosure under Section 6253.5, 6254, or 6254.7 of this code, or Section 489.1 or 583 of the Public Utilities Code.

(b) Writings that are public records under subdivision (a) and that are distributed to members of the state body prior to or during a meeting, pertaining to any item to be considered during the meeting, shall be made available for public inspection at the meeting if prepared by the state body or a member of the state body, or after the meeting if prepared by some other person. These writings shall be made available in appropriate alternative formats, as required by Section 202 of the American with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof, upon request by a person with a disability.

(c) In the case of the Franchise Tax Board, prior to that state body taking final action on any item, writings pertaining to that item that are public records under subdivision (a) that are prepared and distributed by the Franchise Tax Board staff or individual members to members of the state body prior to or during a meeting shall be:

(1) Made available for public inspection at that meeting.

(1) Made available for public inspection at that meeting.

(2) Distributed to all persons who request or have requested copies of these writings.

(3) Made available on the Internet.

(e) Nothing in this section shall be construed to prevent a state body from charging a fee or deposit for a copy of a public record pursuant to Section 6253, except that no surcharge shall be imposed on persons with disabilities in violation of Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof. The writings described in subdivision (b) are subject to the requirements of the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1), and shall not be construed to limit or delay the public’s right
to inspect any record required to be disclosed by that act, or to limit the public's right to inspect any record covered by that act. This section shall not be construed to be applicable to any writings solely because they are properly discussed in a closed session of a state body. Nothing in this article shall be construed to require a state body to place any paid advertisement or any other paid notice in any publication.

(f) "Writing" for purposes of this section means "writing" as defined under Section 6252.

### 11125.2. Appointment, employment or dismissal of public employees; closed sessions; public report

Any state body shall report publicly at a subsequent public meeting any action taken, and any rollcall vote thereon, to appoint, employ, or dismiss a public employee arising out of any closed session of the state body.

(a) Notwithstanding Section 11125, a state body may take action on items of business not appearing on the posted agenda under any of the conditions stated below:

(1) Upon a determination by a majority vote of the state body that an emergency situation exists, as defined in Section 11125.5.

(2) Upon a determination by a two-thirds vote of the state body, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there exists a need to take immediate action and that the need for action came to the attention of the state body subsequent to the agenda being posted as specified in Section 11125.

(b) Notice of the additional item to be considered shall be provided to each member of the state body and to all parties that have requested notice of its meetings as soon as is practicable after a determination of the need to consider the item is made, but shall be delivered in a manner that allows it to be received by the members and by newspapers of general circulation and radio or television stations at least 48 hours before the time of the meeting specified in the notice. Notice shall be made available to newspapers of general circulation and radio or television stations by providing that notice to all national press wire services. Notice shall also be made available on the Internet as soon as is practicable after the decision to consider additional items at a meeting has been made.

1125.4. Special meetings; authorized purposes; notice; required finding of hardship or need to protect public interest

(a) A special meeting may be called at any time by the presiding officer of the state body or by a majority of the members of the state body. A special meeting may only be called for one of the following purposes when compliance with the 10-day notice provisions of Section 11125 would impose a substantial hardship on the state body or where immediate action is required to protect the public interest:

(1) To consider "pending litigation" as that term is defined in subdivision (e) of Section 11126.

(2) To consider proposed legislation.

(3) To consider issuance of a legal opinion.

(b) When a special meeting is called pursuant to one of the purposes specified in subdivision (a), the state body shall provide notice of the special meeting to each member of the state body and to all parties that have requested notice of its meetings as soon as is practicable after the decision to call a special meeting has been made, but shall deliver the notice in a manner that allows it to be received by the members and by newspapers of general circulation and radio or television stations at least 48 hours before the time of the special meeting specified in the notice. Notice shall be made available to newspapers of general circulation and radio or television stations by providing that notice to all national press wire services. Notice shall also be made available on the Internet within the time periods required by this section. The notice shall specify the time and place of the special meeting and the business to be transacted. The written notice shall additionally specify the address of the Internet Web site where notices required by this article are made available. No other business shall be considered at a special meeting by the state body. The written notice may be dispensed with as to any member who at or prior to the time the meeting convenes files with the clerk or secretary of the state body a written waiver of notice. The waiver may be given by telegram, facsimile transmission, or similar means. The written notice may also be
dispensed with as to any member who is actually present at the meeting at the time it convenes. Notice shall be required pursuant to this section regardless of whether any action is taken at the special meeting.

(c) At the commencement of any special meeting, the state body must make a finding in open session that the delay necessitated by providing notice 10 days prior to a meeting as required by Section 11125 would cause a substantial hardship on the body or that immediate action is required to protect the public interest. The finding shall set forth the specific facts that constitute the hardship to the body or the impending harm to the public interest. The finding shall be adopted by a two-thirds vote of the body, or, if less than two-thirds of the members are present, a unanimous vote of those members present. The finding shall be made available on the Internet. Failure to adopt the finding terminates the meeting.

(b) For purposes of this section, "emergency situation" means any of the following, as determined by a majority of the members of the state body during a meeting prior to the emergency meeting, or at the beginning of the emergency meeting:

(d) The minutes of a meeting called pursuant to this section, a list of persons who the presiding officer of the state body, or a designee thereof, notified or attempted to notify, a copy of the rollcall vote, and any action taken at the meeting.

(Amended by Stats.1992, c. 1312 (A.B.2912), § 11, eff. Sept. 30, 1992; Stats.1997, c. 949 (S.B.95), § 6; Stats.1999, c. 393 (A.B.1234), § 3.)

11125.6. Fish and Game Commission; emergency meetings; appeals of fishery closures or restrictions

(a) An emergency meeting may be called at any time by the president of the Fish and Game Commission or by a majority of the members of the commission to consider an appeal of a closure of or restriction in a fishery adopted pursuant to Section 7710 of the Fish and Game Code. In the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of an established fishery, the commission may hold an emergency meeting without complying with the 10-day notice requirement of Section 11125 or the 48-hour notice requirement of Section 11125.4 if the delay necessitated by providing the 10-day notice of a public meeting required by Section 11125 or the 48-hour notice required by Section 11125.4 would significantly adversely impact the economic benefits of a fishery to the participants in the fishery and to the people of the state or significantly adversely impact the sustainability of a fishery managed by the state. The finding shall set forth the specific facts that constitute the impact to the economic benefits of the fishery or the sustainability of the fishery. The finding shall be adopted by a vote of at least four members of the commission, or, if less than four of the members are present, a unanimous vote of those members present. Failure to adopt the finding shall terminate the meeting.

(c) Newspapers of general circulation and radio or television stations that have requested notice of meetings pursuant to Section 11125 shall be notified by the presiding officer of the commission, or a designee thereof, one hour prior to the emergency meeting by telephone.

(a) Except as otherwise provided in this section, the state body shall provide an opportunity for members of the public to directly address the state body on each agenda item before or during the state body's discussion or consideration of the item. This section is not applicable if the agenda item has already been considered by a committee composed exclusively of members of the state body at a public meeting where interested members of the public were afforded the opportunity to address the committee on the item, before or during the committee's consideration of the item, unless the item has been substantially changed since the committee heard the item, as determined by the state body. Every notice for a special meeting at which action is proposed to be taken on an item shall provide an opportunity for members of the public to directly address the state body concerning that item prior to action on the item. In addition, the notice requirement of Section 11125 shall not preclude the acceptance of testimony at meetings, other than emergency meetings, from members of the public if no action is taken by the state body at the same meeting on matters brought before the body by members of the public.

(b) The state body may adopt reasonable regulations to ensure that the intent of subdivision (a) is carried out, including, but not limited to, regulations limiting the total amount of time allocated for public comment on particular issues and for each individual speaker.

(c)(1) Notwithstanding subdivision (b), when a state body limits time for public comment the state body shall provide at least twice the allotted time to a member of the public who utilizes a translator to ensure that non-English speakers receive the same opportunity to directly address the state body.

(2) Paragraph (1) shall not apply if the state body utilizes simultaneous translation equipment in a manner that allows the state body to hear the translated public testimony simultaneously.

(d) The state body shall not prohibit public criticism of the policies, programs, or services of the state body, or of the acts or omissions of the state body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law.

For all other agenda items, the commission shall provide members of the public, other than those who have already participated in the proceedings underlying the agenda item, an opportunity to directly address the commission before or during the commission's consideration of the item.

11125.8. Hearings to consider crimes against minors or crimes of sexual assault or domestic violence; identification of applicant; disclosure of nature of hearing

(2) As a condition to holding a closed session on the complaints or charges to consider disciplinary action or to consider dismissal, the employee shall be given written notice of his or her right to have a public hearing, rather than a closed session, and that notice shall be delivered to the employee personally or by mail at least 24 hours before the time for holding a regular or special meeting. This subdivision is the exclusive expression of the lawyer-client privilege for purposes of conducting closed session meetings pursuant to this article. If the session is closed pursuant to paragraph (2) of subdivision (d) of Section 11126, the state body shall state the title of, or otherwise specifically identify, the proceeding or disciplinary action contemplated. However, should the body determine that to do so would jeopardize the body’s ability to effectuate service of process upon one or more unserved parties if the proceeding or disciplinary action is commenced or that to do so would fail to protect the private economic and business reputation of the person or entity if the proceeding or disciplinary action is not commenced, then the state body shall notice that there will be a closed session and describe in general terms the purpose of that session. If the session is closed pursuant to subparagraph (A) of paragraph (2) of subdivision (e) of Section 11126, the state body shall state the title of, or otherwise specifically identify, the litigation to be discussed unless the body states that to do so would jeopardize the body’s ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

(b) In the closed session, the state body may consider only those matters covered in its disclosure.

(c) The disclosure shall be made as part of the notice provided for the meeting pursuant to Section 11125 or pursuant to subdivision (a) of Section 92032 of the

(d) If, after the agenda has been published in compliance with this article, any pending litigation (under subdivision (e) of Section 11126) matters arise, the postponement of which will prevent the state body from complying with any statutory, court-ordered, or other legally imposed deadline, the state body may proceed to discuss those matters in closed session and shall publicly announce in the meeting the title of, or otherwise specifically identify, the litigation to be discussed, unless the body states that to do so would jeopardize the body's ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage. Such an announcement shall be deemed to comply fully with the requirements of this section.

(e) Nothing in this section shall require or authorize a disclosure of names or other information that would constitute an invasion of privacy or otherwise unnecessarily divulge the particular facts concerning the closed session or the disclosure of which is prohibited by state or federal law.

(f) After any closed session, the state body shall reconvene into open session prior to adjournment and shall make any reports, provide any documentation, and make any other disclosures required by Section 11125.2 of action taken in the closed session.

any regular or adjourned regular meeting, the clerk or secretary of the state body may declare the meeting adjourned to a stated time and place and he or she shall cause a written notice of the adjournment to be given in the same manner as provided in Section 11125.4 for special meetings, unless that notice is waived as provided for special meetings. A copy of the order or notice of adjournment shall be conspicuously posted on or near the door of the place where the regular, adjourned regular, special, or adjourned special meeting was held within 24 hours after the time of the adjournment. When a regular or adjourned regular meeting is adjourned as provided in this section, the resulting adjourned regular meeting is a regular meeting for all purposes. A copy of the order or notice of continuance shall be conspicuously posted on or near the door of the place where the hearing was held within 24 hours after the time of the continuance; provided, that if the hearing is continued to a time less than 24 hours after the time specified in the order or notice of hearing, a copy of the order or notice of continuance of hearing shall be posted immediately following the meeting at which the order or declaration of continuance was adopted or made.

(a) The Attorney General, the district attorney, or any interested person may commence an action by mandamus, injunction, or declaratory relief for the purpose of stopping or preventing violations or threatened violations of this article or to determine the applicability of this article to past actions or threatened future action by members of the state body or to determine whether any rule or action by the state body to penalize or otherwise discourage the expression of one or more of its members is valid or invalid under the laws of this state or of the United States, or to compel the state body to audio record its closed sessions as hereinafter provided.

(b) The court in its discretion may, upon a judgment of a violation of Section 11126, order the state body to audio record its closed sessions and preserve the audio

(ii) An affidavit that contains specific facts indicating that a violation of the act occurred in the closed session.

(3) If the court, following a review of the motion, finds that there is good cause to believe that a violation has occurred, the court may review, in camera, the recording of that portion of the closed session alleged to have violated the act.

(4) If, following the in camera review, the court concludes that disclosure of a portion of the recording would be likely to materially assist in the resolution of the litigation alleging violation of this article, the court shall, in its discretion, make a certified transcript of the portion of the recording a public exhibit in the proceeding.

(5) Nothing in this section shall permit discovery of communications that are protected by the attorney-client privilege.

11130.3. Judicial determination action by state body in violation of §§ 11123 or 11125 null and void; action by interested person; grounds

(a) Any interested person may commence an action by mandamus, injunction, or declaratory relief for the purpose of obtaining a judicial determination that an action taken by a state body in violation of Section 11123 or 11125 is null
and void under this section. Any action seeking such a judicial determination shall be commenced within 90 days from the date the action was taken. Nothing in this section shall be construed to prevent a state body from curing or correcting an action challenged pursuant to this section.

(b) An action shall not be determined to be null and void if any of the following conditions exist:

(1) The action taken was in connection with the sale or issuance of notes, bonds, or other evidences of indebtedness or any contract, instrument, or agreement related thereto.

(2) The action taken gave rise to a contractual obligation upon which a party has, in good faith, detrimentally relied.

The costs and fees shall be paid by the state body and shall not become a personal liability of any public officer or employee thereof.

A court may award court costs and reasonable attorney's fees to a defendant in any action brought pursuant to Section 11130 or 11130.3 where the defendant has prevailed in a final determination of the action and the court finds that the action was clearly frivolous and totally lacking in merit.

11130.7. Violations; misdemeanor

Each member of a state body who attends a meeting of that body in violation of any provision of this article, and where the member intends to deprive the public of information to which the member knows or has reason to know the public is entitled under this article, is guilty of a misdemeanor.
